Do you want to be more organized during your sleep deprived months after having your baby? As a first-time Mom to a previous boy, I understand how chaotic and hectic life can be in the first few months after giving birth. After getting home from the hospital, my husband and I were just trying to keep our heads above water. We took turns sleeping and when it was the other's turn to care for our baby, we couldn't remember how long it had been since we had last fed him, how much breast milk he had, how long he had been asleep, etc. to tell each other. We were both so sleep deprived and my mind was a fog. This log book is a LIFESAVER: STAY ORGANIZED: Each log includes areas to record date, time, feeding as well as activity and sleep information Keep track of doctors visits, immunizations, and much more CONVENIENT SIZE: 150 Pages, Book dimensions are 6" x 9" SIMPLE EASY TO SHARE: Unlike apps, it is easy to share the log book with your spouse, babysitter, grandparents, or other caregivers If you want to make your life more organized after bringing home your new baby, then scroll up and click the 'Add to Cart' button.

This 8.5 * 11 notebook will help you to keep track of your Baby's days , The best experiences for you and your Baby, core curriculum for interdisciplinary lactation care, breastfeeding answers made simple a guide for helping mothers,

Easily keep track as baby eats, sleeps, and grows Your bundle of joy is here, and you have a thousand things on your mind. This adorable hour-by-hour log will help you stay organized with columns for breast and bottle feedings, diaper changes, and sleep, plus your own special notes! See your baby s rhythms evolve over time Make sure your baby is eating and sleeping enough to grow Keep your journal on hand for doctor s appointments Easily coordinate baby s care with relatives and other helpers Inside, you ll find enough daily pages for baby s first six months, charts for growth and vaccines, a place to list important contacts, and a helpful introduction. Enjoy your newborn s first months with a little piece of mind and Sophie la girafe!

Baby Daily Tracker Features: PAGES: 150 Pages SIZE 6"x9" perfect to throw in your purse or bag COVER: Soft Mate Easy to track: Feeding: time, breastfeeding (left/right) and formula Diapers: time, wet and poop Sleep and naps Tummy time Baby Mood Activities and more.

A new baby can sometimes sure be a handful and remembering the most important things from day to day easily gets lost in the fray. With this journal and tracker you'll be able to easily keep track of all the important things about your little one and then, when you want to take a look back for reference or for information your doctor may need, it's as simple as picking up the book and going through the pages. Write down and keep track of important contacts for your baby. Keep a log of doctor visits and what they were for. Keep track of all of your baby's vaccinations, dates and what they were. Track your baby's growing stats: height, weight, head and the percentiles they fall in. Daily sheets to record breastfeeding information (including left or right breast), bottle feeding information, diaper changes (including poop or pee), sleep and activities and how long they slept or played. Add to Cart

From babys well visits through the first 18 years, record your childs immunizations, measurements & percentiles, illnesses, instructions from the doctor (& questions to remember to ask), and more in this simple, attractive, and sturdy health journal. With tips and reminders, this little tracker provides the perfect place to record clear and concise medical history necessary for school, camp, college, insurance, a change of doctors, and personal reference. Small and thin enough to fit in a purse and a file, with archival paper to last a lifetime. Measures 5-1/2" wide x 8" high. 56 pages. Hardcover with elastic band closure. Inside back cover pocket.
