Accounting: A Basis for Business Decisions unites this text's long-running standard of excellence with a thorough revision reflecting contemporary concepts and issues in accounting. The managerial accounting section has been expanded making this book appropriate for the 50/50 split accounting principles courses that employ a corporate approach. The hallmarks of this text continue to be exceptional balance between the preparer and user points of view, excellent real-world examples that do not distract students from the text narrative, and clear writing style. This is a reflection of the authors and their well-known dedication to accounting education.

Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Managerial Accounting 8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As

seafarers look to the lighthouse for direction along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course.

For undergraduate and MBA cost or management accounting courses. Horngren's Cost Accounting spells out the cost accounting market and continues to innovate by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasises the basic theme of "different costs for different purposes," and reaches beyond cost accounting procedures to consider concepts, analyses, and management. The 17th Edition incorporates the latest research and most up-to-date thinking into all relevant chapters, so that students are prepared for the rewards and challenges they will face in the professional cost accounting world of today and tomorrow.

Gain a strong foundation in financial accounting that prepares you for future study and success in today's business world with Warren/Jonick/Schneider's leading FINANCIAL ACCOUNTING, 16E. This edition connects financial accounting concepts to the "bigger picture" as chapter-opening schemas clearly demonstrate how each chapter's content fits within the overall framework of the book. The digital

CengageNOWv2's Journal Entry Tool reinforces this approach by automatically illustrating the impact of transactions on the accounting equation. This book's hallmark presentation of the accounting cycle provides an unmatched foundation for later chapters and even upcoming coursework and your career. The authors have carefully streamlined content and improved learning features throughout this edition and CengageNOWv2's digital resources to ensure you have the understanding of today's financial accounting and specific tools to succeed.

"As our eyes are drawn upward to the skyline of great cities, it's important to remember that these impressive constructions are able to reach such heights only because their foundations are strong. In much the same way, being successful in the business world begins with fundamental courses like financial and managerial accounting. It is only when students have a firm grasp of concepts like the accounting cycle and managerial decision making that they have a base on which to stand, a strong foundation on which to grow. In this edition, as before, the Williams team has revised the text with a keen eye toward the principle of helping students establish the foundation they will need for future success in business. However, through new coverage of International Financial Reporting Standards and a revised globalization chapter, the Williams book also introduces students to larger themes and evolving concerns. This dual emphasis allows students to keep their eyes trained upward even as they become solidly grounded in accounting fundamentals"--

As the long-time #1 best-seller in Managerial Accounting, the 17th edition of Garrison/Noreen/Brewer's Managerial Accounting successfully guides students through the Managerial Accounting course and beyond. Not only does the Garrison text teach students Managerial Accounting concepts in a clear and concise way, but it also asks students to consider how the concepts they're learning will apply to the real-world situations they will eventually confront in their careers. Garrison's 17th edition improves student learning and fosters course and career readiness with its emphasis on relevance, accuracy, and clarity while also embracing innovation through the incorporation of Data Analytics Exercises. With world class content, combined with the powerful platform of Connect to engage and enhance learning, students are provided with a framework to achieve higher outcomes in their Managerial Accounting course and beyond.
