Andersen's spot-on illustrations also show how to navigate this newfound adulthood once you arrive, since maturity is equally as hard to maintain as it is to find ☺ " --The Huffington Post Sarah valiantly struggles with waking up in the morning, being productive, and dealing with social situations. Sarah's Scribbles is the comic strip that follows her life, finding humor in living as an adulting introvert that is at times weird, awkward, and embarrassing. The third collection of Sarah's Scribbles comics includes never-before-published comics and an illustrated essay about struggles with sexism, personal growth, and the rewards and challenges of sharing your creative work with millions of readers online.
