Written in a lively and compelling style, but backed with massive research and extensive interaction with the GLBT community, this forthright and yet compassionate book looks at the extraordinary impact gay activism has had on American society.

~~A Queer Thing Happened to America: And What a Long~~

Undoubtedly A Queer Thing Happened to America will raise the brows of some and the temperatures of others. I assume many will quickly reject this book. Some because of its length. Other because they preemptively label anyone who questions the rights of homosexuals as homophobic.

~~A Queer Thing Happened to America: And What a Long~~

So a queer thing happened, and it was that the earth upon the grave began to heave and to break in fissures, as when a mole passes through the ground. And other queer things happened after that, and presently Tiburce d'Arnay was standing there, gray and vague in the moonlight as he stood there brushing the mold from his brows, and as he stood there blinking bright wild eyes. ...

Evangelist and conservative Christian activist Dr Michael L Brown is a little disappointed but mostly deliriously excited that the publishing world was " afraid to touch " his latest book.. The back cover of his self-published tome, A Queer Thing Happened to America: And What a Long, Strange Trip It ' s Been, lists blurbs by " a conservative pundit, " " a conservative publisher, " " a ...

~~Review: Michael L Brown 's A Queer Thing Happened to~~

Queer happiness doesn ' t lie in the root of the word, the happ of happiness and happenstance. It is wanting what isn ' t at first natural, or evident, or the way things initially seem; but the ability to see beyond what just happens is something only someone else can give you. Queer happiness doesn ' t just happen.

~~Whatever Happened to Queer Happiness? | Kevin Brazil | Granta~~

" That sure was a queer thing that just happened, are you seeing this too? " Not to say that all queer readings are obvious. I wasn ' t aware of the queer coding of villains (e.g. Scar from The Lion King or Ursula from The Little Mermaid ) until I learned more about the history of the archetype.

~~Two theses on queer readings—freethoughtblogs.com~~

As the title suggests, A Queer Thing Happened in America, by Michael L. Brown, looks only at American culture and deals exclusively with issues of homosexuality and gender preference. While I would differ with Brown theologically on a number of issues, those issues were not the subject of this book.

A Queer Thing Happened to America chronicles the amazing transformation of America over the last forty years, and addresses the question head-on: Is there really a gay agenda, or is it a fiction of the religious right?

A Queer Thing Happened to America chronicles the dramatic cultural changes that have taken place in our country in relation to homosexuality. The result of massive research, this forthright study evaluates the extraordinary impact LGBT activism has had on our society, from elementary schools to college campuses, from the media to the courts, and from the world of business to the world of religion.The publishing world was afraid to touch this book, and that's why A Queer Thing Happened to America could well be the most controversial book of the decade.

The last ten years have witnessed a sea-change amongst lesbian, gay, bisexual and transgendered Christians. Many are no longer content to beg a place at the pre-existing table of the institutional Churches. Rather they have found a new confidence in their ability to define their own experience and think theologically about it. Queer theology is emerging as a distinctive, radical and explosive theological tradition of which all in the churches will eventually have to take notice. This theology exposes the heterosexist thought patterns and assumptions that underlie many Christian doctrines and practices and rescues parts of the tradition helpful to queer Christians which may have been lost along the way. Most importantly of all, it fashions Christian theologies untainted by homophobia and heterosexism. This book makes queer theology available and accessible to a general reader and encourages the reader to become part of the ongoing development of this theology. It is aimed primarily at queer people who are either new to Christianity or those who are interested in reflecting upon their Christian faith from a queer perspective. It is a study guide which can be used by groups and by individuals and contains exercises and liturgies as well as explanations of queer theology. Subjects covered include the bible, salvation, Christ, body theology, God, the church, death and ethics. Christian lesbian, gay, bisexual and transgendered support groups, churches, individuals

The Landlady is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Landlady, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a young man in need of room meets a most accommodating landlady . . . The Landlady is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle ) This story is also available as a Penguin digital audio download read by Tamsin Greig. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Walter Pach was an artist, critic, lecturer, art adviser, and art historian who wrote extensively about modern art and championed the cause of modern art. Through his numerous books, articles, and translations of European art texts Pach brought the emerging modernist viewpoint to the American public. Pach's fluency in French, German, and Spanish made it possible for him to understand and interpret the avant-garde ideas developing in Europe and translate them for the English-speaking audience. He was able to communicate personally with many noted artists in Europe and Mexico and mediate between gallery dealers and museum curators on their behalf. This is an interesting look at the American art scene (and a little peek at the Parisian scene) and how Americans especially appreciated art in the late nineteenth and early 20th century.

Jill and Gwen set out to train their basset hound for a dog show and find themselves tracking down the odd person who has been cutting out the pictures in all the library's dog books.

When Gwen and Jill open a lemonade stand, something strange happens to their lemonade every time their dog Fletcher disappears.

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

This book is for: LGBTQIA+ teens, tweens, and adults Readers looking to learn more about the LGBTQIA+ community Parents of gay kids and other LGBT youth Educators looking for advice about the LGBTQIA+ community Praise for This Book is Gay: A Guardian Best Book of the Year 2018 Garden State Teen Book Award Winner "The book every LGBT person would have killed for as a teenager, told in the voice of a wise best friend. Frank, warm, funny, USEFUL."—Patrick Ness, New York Times bestselling author "This egregious gap has now been filled to a fare-thee-well by Dawson's book."—Booklist "STARRED REVIEW"

The author uses anecdotes and quotes to help illustrate his argument that tolerance has gone beyond simply putting up with another's differences and still disagreeing with him or her and instead now has more to do with completely refraining from saying others are wrong, in a book that offers the author's personal Christian perspective on the issue.
