About The Night

About the Night is a tale of love lost, found, and rebuilt against the odds. The narrative is romantic and unfolds slowly, pleasurably, evoking the beauty of the land of Israel. Of course this story is fictional, but I couldn't help but wonder if similar stories actually happened.

About the Night by Anat Talshir - Goodreads

Night or nighttime is the period of ambient darkness from sunset to sunrise during each 24-hour day, when the Sun is below the horizon. The exact time when night begins and ends depends on the location and varies throughout the year. When night is considered as a period that follows evening, it is usually considered to start around 8 pm and to last to about 4 am. Night ends with coming of morning at sunrise. The word can be used in a different sense as the time between bedtime and morning. In co
