Glencoe is the only publisher to use real-world accounting software and companies to teach accounting!

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

It also meets the requirements of students appearing in the accounting paper at the Foundation Examinations of Institute of Chartered Accountants of India, the Institute of Company Secretaries of India and the Institute of Cost Accountants of India.

Includes index.

Recognizing that most students will pursue careers as managers not accountants, *Managerial Accounting*, 6th edition by James Jiambalvo focuses on the fundamental topics of managerial accounting, and helps student make direction connections between techniques in the business world, and readers' future careers using real cases and real managers' comments on real company issues. *Managerial Accounting*, 6th edition helps students develop decision making through incremental analysis and stresses the fact that you Get What You Measure throughout the program. It is designed for a one semester managerial accounting course at both the undergraduate and MBA level.
