The American Dream Is Alive and Well—in China – The Chaos Cat, on June 17, 2019 at 5:46 amsaid: Home ownership has been called “the quintessential American dream.”. Yet today less than 65% of American homes are owner occupied, and more than 50% of the equity in those homes is owned by the banks. Compare China, where, despite facing one of the most expensive real estate markets in the world, a whopping 90% of families can afford to own their....
