Alternative Assessments in Math - Maneuvering the Middle

Traditional assessments vs. Alternative assessments There has been a movement from traditional assessment toward alternative assessments.

File Type PDF Alternative Assessment And Math

Alternative assessment started being used as a means for educational reform due to the increasing awareness of the influence of testing on curriculum and instruction (Dietel, Herman, and Knuth, 1991).

Assessment at a distance:

Traditional vs. Alternative ...

Why alternative assessment. While we are mostly familiar with traditional methods of assessment in education, alternative assessments are slowly and steadily becoming common. It is important to understand the motivations behind this choice of assessment and make sure the right approach is implemented during the adoption process.

alternative assessment (AA).

Then, the chapter looks at the links between AA and Students Centered Cooperative Learning (SCCL). This includes how formative assessment, in contrast to summative assessment, enhances students' role in assessment. Also, included is how SCCL offers teachers and students more opportunities to look at students' thinking processes.

Alternate assessments are designed for testing students who are unable to take the regular assessment, even when testing accommodations are provided. These assessments are given to a very small number of students with significant cognitive disabilities. Alternate assessments are typically administered individually by a special education teacher.
