B+W INTERIOR EDITION WRITTEN FOR OPERATORS, BY OPERATORS Written by an experienced operator, with contributions from other highly regarded Executive Protection Officers SUITABLE FOR EPOs AND EP STUDENTS ALIKE The Bodyguard Manual is designed to assist the experienced operator and students alike: it is currently issued to many students attending Executive Protection courses around the world. DESIGNED FOR YOUR GO-BAG Carried by experienced operators, the Bodyguard Manual is designed for quick reference when planning and executing tasks. Including templates, crib cards, kit lists, procedures, guides and diagrams, the Bodyguard Manual is the ideal tool to augment the professional Executive Protection Officer when planning and conducting protection assignments. READER REVIEWS An excellent quick reference for new and experienced alike. Concise and full of detail, vehicle drills particularly well presented. Would recommend to anybody about to join the circuit or do their CP or HECP course. You can never learn too much from those who have been before you. This is a must have essential piece of kit for any security professional operating in the industry. A well laid out format which has been structured and written with a no nonsense view. It lays out in simple terms what you require to operate as well as listing the top-tips that can only be discovered by operating in the industry for a number of years. This book is an excellent piece of equipment which will be part of my security kit for many years to come. A big thanks must go to the author for suppling those of us operating in the industry with an excellent reference manual. Ok the book does exactly what it's designed to do, it's basically a quick reference for CP operators both new to the world of CP or experienced, a lot of us don't work CP all the time and it's handy to have when you need to double check something. Exactly as described, a no nonsense guide. Extremely good tips, essential checklists. To someone like myself with limited knowledge of this industry it is excellent reference material.

Although military operations against terrorist forces often garner the headlines, those who protect government, military, and business leaders from assassination or kidnapping are also in the front lines against terrorism. Ready and prepared to place his body between his employer and a bullet, the bodyguard must be able to blend into the milieu around his charge, yet be ready to spring into action instantly to counter an attack. Based on techniques of the U.S. Secret Service, U.S. State Department Security, the Special Air Service, the Royal Corps of Military Police, the Metropolitan Police, the KGB and its successor the FSB, France's GSPR, and other protective units around the world, The Bodyguard Manual details the steps a protective team takes to prevent attack as well as the tactics which are employed when it is necessary to counter an attack in progress. From security aboard Concord, the Orient Express, or the Queen Elizabeth 2, to protecting a military general officer in combat, The Bodyguard Manual allows the reader to "stand post" with the professional bodyguard.

The Executive Protection Professional's Manual not only explains what it takes to be an executive protection professional but provides other valuable information as well, including tips on defensive tactics, bomb searches, searching for bugging devices, firearms training, defensive and evasive driving, and advance reconnaissance. This unique book also discusses important career information, such as how to select the area of executive protection in which you would like to work, how-much money you should make, the interview, and stories from real-life experiences of an EPP.

There is a big difference between an "Executive Protection Professional" and a "Bodyguard." This book separates truth from myth. Two authors, both experts in their respective fields, give you the facts and critical knowledge about the field of executive protection. Together they provide a wealth of knowledge about this unique and exciting field. This book not only explains what it takes to be an executive protection specialist but gives other valuable information as well. This includes, tips on defensive tactics, bomb search, searching for bugging devices, firearms training tips, defensive and evasive driving, and advance reconnaissance. This unique book also covers how to select the area of executive protection that you would like to work in, what you should make, the interview, and stories from real life experiences of an executive protection professional. Philip Holder is the creator of the Six Zone Safeguard System of Self Defense (Sometimes called the Sidewinder System after his "Sidewinder Executive Protection Consultants"). He is also the chief Instructor and Grandmaster of the North American Wing Chun Association and its Ying Gi Ga method of Wing Chun Kung Fu. His many years as an executive protection professional (EPP), his work as an executive protection consultant, and as a personal trainer, along with his 35 years in the martial arts and his experience in full contact fighting all come together to provide a true sense of realism in his classes and seminars. Donna Lea Hawley is a retired lawyer who has written a number of books and articles on law, firearms, hunter education, and self defense. She teaches seminars on sports liability, shooting, carrying concealed weapons, the law of self defense and use of deadly force, and self defense for the past fifteen years. She is a firearms instructor who has taught over a thousand people shooting skills and firearms safety. She holds six NRA Instructor Certifications. Describes the attributes, principles, and practices of the qualified protection professional. Introduction to those considering entering the field. Valuable source of continuing education for current practitioners.

Any professional actively engaged in the executive protection field, novice or veteran, whether in a team or as team leader, must train for, and be able to pinpoint, even the most unexpected security concerns. The continuation of The Fine Art of Executive Protection - Handbook for the Executive Protection Officer (2007), Advanced Skills in Executive Protection contains carefully selected and illustrated material for the executive protection and security enforcement professional. All available training and study material, individual case studies, and real scenarios, combined with professional experience, serve as the foundation for this specialist's manual. For the client, as a prospective principal, it provides important details that will assure lifesaving protection. Comprehensive, detailed, and straightforward, Advanced Skills in Executive Protection is the only book to offer an in-depth look into the operational aspects of executive protection. It guides the reader through a diversity of advanced disciplines and skills and contains all the necessary ingredients for effective protection planning. Information about every aspect of executive protection is not only an important part of the professional's ongoing training curriculum, but is also crucial for the client who seeks this professional protection, to face not only today's protection needs, but also those of the future. See also The Fine Art of Executive Protection: Handbook for the Executive Protection Officer and Understanding International Counter Terrorism: A Professional s Guide to the Operational Art by A. Hunsicker.

The stranger with her husband's face Caroline Winters, the first female president, knew her term wouldn't be easy. But only months into office her husband tragically died in a plane crash and she began receiving bone-chilling phone calls Then Justin Winters returned And when the threats on her life began, like an executive bodyguard Justin performed feats of superhuman skill to protect her. And as the danger escalated around them, his acts seemed less daunting than facing the feelings provoked by the tender touch of the stranger with her husband's face

This book shows ordinary people how to protect themselves against threats and how to protect clients if they wish to secure a job in close protection. Learn tricks of the trade from a seasoned professional. The training in this book can save your life or the lives of your loved ones and clients.

Bodyguard Principles offers valuable information outlining every aspect of, assignments, responsibilities, skills, equipment, sociology basics, terrorism, intelligence gathering, safe houses, vehicle inspections, third parties, suspicious packages and more.

Since its original publication in 1998, Introduction to Executive Protection has been considered the bible of the executive security industry. Now in its 4th edition, this new volume, conceived and developed by Dale L. June, drawing from his experiences in the United States Secret Service, law enforcement & the private sector, has been reworked and revised with new content, chapters, and input with over 60% new material. Much more than simply an introduction, this book is a powerful learning tool, with the author now joined by Elijah Shaw, one of the foremost experts in working globally with celebrities and other high net-worth VIP's. The authors include real world examples of bodyguards working with politicians and religious figures, and dealing with everything from stalking to assassination attempts. This volume further digs into the tactics and the mindset necessary for protectors to mitigate the risk of it happening to their clients. Packed with tips for successfully navigating the corporate, celebrity & dignitary sectors, the reader will find in-depth discussions on a variety of topics, ranging from setting up estate security plans, to working in and around private jets. The world is changing daily, and as both an educational and resource tool, this book is sure to provide new outlooks for both the experienced and the newcomer alike. "What the Industry is Saying about the New Edition" "A comprehensive look at executive protection, the profession, and methods of practice. This 4th edition is worth the read." Monica Duperon Rodriguez Sr. Manager, Global Corporate Security and Risk Management (Executive Protection & Solutions) LinkedIn "It is important we don't forget the basic principals & foundations. This book is a great reminder." Charles Randolph LTC (RET) President, International Protective Security Board (IPSB) Dale and Elijah have forgotten more about the business of Protective Services than most will ever learn." Mark SIX James Author, Defensive Handgun II "This is absolutely one of the top books I point to for people who are interested in getting into the profession." Harlan 'Hucky' Austin Founder, Bodyguard Careers
