This is the 4th novel in Gerri Hill's "Hunter's Way" series with favorite characters Hunter and Sam and is also the crossover fans have been waiting for with Cameron Ross and Andrea Sullivan from her "Devil's Rock" series. The start of the book finds Tori Hunter and Sam Kennedy on a long deserved vacation in New Mexico with Casey and Leslie.

Angel Fire: Amazon.co.uk: Hill, Gerri, Craden, Abby ...

A humorous poke at butch fire lighting skills leads to a horrendous scene of carnage, a chase across the New Mexico mountains and from there to murder and mayhem as Angel leads our heroines, and the local PD, on a dance of death. More twists and turns than Houdini will keep you on the edge of your seat until the very end.

Angel Fire by Gerri Hill - Books on Google Play

Angel Fire by Gerri Hill Is the perfect audiobook. The story is captivating, the narration is spot on and the excitement was just about too much for me to handle. But before I get ahead of myself let me tell you what the story is about.

Angel Fire by Gerri Hill: Audiobook Review - The Lesbian ...

Angel Fire, like the rest in the series, was short, underdeveloped, cliché, and in serious SERIOUS need of a new editor (if this had one at all). The ending was lazy and anticlimactic. The stereotypes of the butch, beer drinking, emotionally distant agents and their femme, domestic, emotionally intelligent partners in constant need of rescuing are incredibly dated, if not outright offensive ...

A vacation out of the city sounds like just the ticket for Tori Hunter and Sam Kennedy. Joining their Dallas Police Department pals Casey O'Connor and Leslie Tucker in a rented RV, they set out for the New Mexico mountains - and on a collision course with a manhunt.

Angel Fire (Audiobook) by Gerri Hill | Audible.com

Gerri Hill lives in East Texas, deep in the pines, with her partner, Diane. They share their log cabin and adjoining five acres with two Australia Shepherds, Casey and Cooper, and a handful of furry felines. Her books include Hunter's Way, Snow Falls, and No Strings to name a few.

Angel Fire by Gerri Hill, Paperback | Barnes & Noble®

Gerri Hillhas nearly forty published works, including the recent GCLS winners The Neighbor, Paradox Valleyand The Midnight Moon. In addition, Devil's Rock, Hell's Highwayand Snow Fallshave all won Goldies, along with the 2009 GCLS winner Partners, the last book in the popular Hunter Series, as well as the 2013 Lambda finalist At Seventeen.

A vacation out of the city sounds like just the ticket for Tori Hunter and Sam Kennedy. Joining their Dallas Police Department pals Casey O'Connor and Leslie Tucker in a rented RV, they set out for the New Mexico mountains—and on a collision course with a manhunt. FBI agents Cameron Ross and Andrea Sullivan are tracking a deadly quarry in desolate territory. An ex-teammate from Cameron's Special-Ops days is in deep hiding, planning who-knows-what to cap off a killing spree. With a hostage at stake and time running out, Cameron reluctantly agrees to outside help from women she doesn't know...or trust. In the crossover that fans have been clamoring for, it's a heart-pounding race against time that challenges the courage and commitment of the exceptional women from Gerri Hill's Hunter's Way and Devil's Rock Series.

Two women vow to bring a killer to justice. Deputy Andrea Sullivan had hoped to leave the horrors of Los Angeles behind her, but the serial murders of college students in peaceful, picturesque Sedona is her nightmare case to solve. The complexities stretch local resources to the limit, and the FBI joins the case with Agent Cameron Ross in the lead. The crime scenes are covered with the trademark signs of the fiendish Patrick Doe, whose handiwork has been investigated by Dallas detective Tori Hunter and others. But where Hunter failed Cameron intends to win. She will break the case, find justice and go on her way. No distractions. Unfortunately, Deputy Sullivan is very distracting. And Patrick Doe has other plans. Bestselling, award-winning Gerri Hill presents the turmoil of unbidden passion combined with heart-pounding suspense in a compelling story inspired by her own Hunter's Way.

Homicide detective Tori Hunter was used to doing things her way. But even after having six different partners in seven years, Tori isn't prepared when she's forced to team up with the hot-tempered Samantha Kennedy. Samantha, on the other hand, is trying to juggle a new job, a demanding boyfriend, and now finds herself with an even greater challenge—being partnered with the most difficult detective in the entire squad. After a brief terrorist scare disrupts their serial killer investigation, the two women find themselves growing closer. Samantha begins to question the relationship with her longtime boyfriend, and Tori, never one to allow anyone to get close, begins to feel her defenses slipping in Sam's presence. A serial killer and drug deals gone bad; the two detectives struggle with their feelings, trying to maintain their professional relationship while keeping their nearly flammable physical relationship in check. With Hunter's Way, Gerri Hill masterfully blends suspense and intrigue with her unique style of romance.

A knock at Dale Hathaway's door changes the course of her life. Who would abandon a child on the steps of a boardinghouse on such a blustery night? Journalist George Rand is determined to find out, but first, he and Dale must work together to rescue the child. United in their efforts, can a lasting friendship develop for two lonely people?

Jennifer Kincaid, on her way to a writer's workshop in the Colorado mountain town of Lake City, gets lost and is stranded by an avalanche. Catherine Ryan Barrett, running from fame and fortune of her family name, wants nothing more to spend the winter alone and sequestered in her high mountain cabin. She is not prepared for a party crasher. After spending two months together, they form an unlikely friendship that deepens even further. But after the spring thaw, Jen leaves and returns to her life in Santa Fe—and to the man who wants to marry her. All she knows of the woman who rescued her is her name...Ryan.

An abandoned old house in a small town northeast of Houston is the site of a second murder, eerily similar to a supposed cold case of fourteen years earlier. FBI Agents CJ Johnston and Paige Riley are dispatched to find the link between the two homicides. The team, including Ice and Billy, find the case to be anything but cold. For CJ and Paige, juggling the investigation while trying to keep their love affair a secret proves to be as hard as uncovering long-buried clues. Seven-time Goldie winner Gerri Hill delivers thrills and passion in the chilling sequel to Keepers of the Cave.

Poking a sleeping bear with a sharp stick is foolish. Marty Edwards is about to be very foolish. Investigative reporter Marty Edwards has found her niche: cold cases. She loves pouring over old notes, hunting down long-forgotten witnesses, and digging down through the layers of an unsolved murder case. But this time, Marty is digging where someone obviously doesn't want her. And that someone might also include the Brownsville Police Department. Why else would they assign Detective Kristen Bailey to baby-sit her? Barely surviving two attempts on her life, Marty abandons Brownsville and the case. Danger follows her as the case turns red hot. With Detective Bailey along for protection, they race along the Gulf Coast, neither knowing who, if anyone, they can trust. The hardest part is learning to trust each other before it's too late for their hearts—and their lives.

Twenty-nine-year-old Rayann Germaine, betrayed by her lover, flees in grief and rage. She meets book store owner Louisa Thatcher, a woman many years her senior, who offers shelter and work... and soon, passion, and a loving place in her life. But Rayann encounters challenges to this new love—from friends who question its wisdom, from her mother who disapproves of this liaison with a woman her own contemporary, from Louisa's son who learns for the first time his mother's true sexuality. And there are profound differences between Rayann and Louisa themselves, two women who come from dramatically different places in the spectrum of age and life experience. Their only common ground seems to be the searing attraction that they both try to deny...

Neither anticipated becoming friends and they certainly didn't count on the pretend kisses becoming real. But fairytales end, don't they?

Daughters of the Witching Hill brings history to life in a vivid and wrenching account of a family sustained by love as they try to survive the hysteria of a witch-hunt. Bess Southern, an impoverished widow living in Pendle Forest, is haunted by visions and gains a reputation as a cunning woman. Drawing on the Catholic folk magic of her youth, Bess heals the sick and foretells the future. As she ages, she instructs her granddaughter, Alizon, in her craft, as well as her best friend, who ultimately turns to dark magic. When a peddler suffers a stroke after exchanging harsh words with Alizon, a local magistrate, eager to make his name as a witch finder, plays neighbors and family members against one another until suspicion and paranoia reach frenzied heights. Sharratt interweaves well-researched historical details of the 1612 Pendle witch-hunt with a beautifully imagined story of strong women, family, and betrayal. Daughters of the Witching Hill is a powerful novel of intrigue and revelation. This e-book includes a sample chapter of Illuminations.
