born a Roman Catholic. Each of us certainly has a body of received dogma and moral teachings but received wisdom is quite another thing. Wisdom comes from living. Moral demands and dogmatics without reference to the individual mind and considered behavior is, at best empty and, at worst, a kind of cultural fascism. Most of us who worship regularly and identify ourselves with a particular religion are not theologians any more than we are constitutional scholars or very complete historians of our own countries. At the same time we share a set of problems and goals: How do you make practical

Christian faith in our contemporary context
This one-volume systematic theology presents an accessible, orthodox overview of the Christian faith for students, teachers, pastors, and serious lay readers. Cornelis van der Kooi and Gijsbert van den Brink not only cover all the traditional themes—creation, sin, Jesus Christ, Scripture, and so on—but also relate those classical themes to contemporary developments like Pentecostalism, postfoundationalism, and evolutionary theory. Consisting of sixteen chapters, the book is ideal for classroom use. Each chapter begins with engaging

questions and a statement of learning goals and concludes with a list of recommended further reading. Written in a student-friendly tone and style and expertly translated and edited, van der Kooi and van den Brink's *Christian Dogmatics* splendidly displays the real, practical relevance of theology to the complexities of our world today.

These volumes provide creative and provocative analysis of each of the Church's seven sacraments.
