This AQA approved student book is written for the AQA's GCSE Home Economics: Child Development specification, with real emphasis on developing students' child study skills. Offers support and guidance for Controlled Assessment with a dedicated section to develop the investigative and analytical skills required, as well as providing support for teaching this new element. Includes practice questions, specimen answers and study tips to help prepare students for their exams. Sandy Green is a highly regarded author, trainer and experienced teacher in the field of Child Development.

The Student Workbook allows students to develop and demonstrate understanding of knowledge and skills to enable them to achieve success at GCSE Child Development. The cost-effective Student Workbook for GCSE Child Development for AQA will save teachers time on preparation and marking. It provides: \* an extensive list of questions and activities that cover each section of the AQA specification, designed to develop and assess students' knowledge \* learning materials that are structured and differentiated to develop, consolidate and reinforce development of the knowledge and skills required to achieve success The workbook is a classroom-ready resource that can be directly incorporated into lesson activities but is also ideal as extension work and as a source of homework activities.
