written by Gorman and Danny Wallace. The BBC television series *The Dave Gorman Collection* – Gorman's first television show—was based on the show. The original show was created for the 2000 Edinburgh Festival Fringe and was nominated for a prestigious Perrier award.

Are You Dave Gorman? - Wikipedia

With Dave Gorman, Danny Wallace, Ellis Henican, Colin Hurley. Dave Gorman and Danny Wallace had a bet that Dave couldn't meet 54 of his namesakes (1 for every card in the deck including the jokers). It all got out of hand and they ended up travelling tens of thousands of miles around the world with Daves credit card and Danny's video camera to complete the task.

Are You Dave Gorman? (TV Mini-Series 2001-) - IMDb

Dave Gorman is a guy who spends many months and a bunch of money traveling around the world to find other people named Dave Gorman. The concept itself is funny enough, but Dave's writing style (I think he was formerly a radio personality) adds even more to the fun.

His TV work has earned him two BAFTAs for The Mrs Merton Show as well as his own BBC2 series. Danny Wallace is a writer, producer and award-winning journalist, whose work has appeared in numerous newspapers and magazines including The Guardian, The Independent and Melody Maker.

After a heavy night of tequila, flatmates Dave and Danny set off on what turns out to be a 24,000-mile journey to meet all the other Dave Gormans in the world. They visit Scotland, Israel, America, France and Ireland. They even hold a party in London where 50 Dave Gormans attend, including two women who have kindly changed their names via deed-poll. Silly but engrossing, this is a touching story of two friends who grow to share a mutual obsession.

If someone called you a 'googlewhack' what would you do? Would you end up playing table tennis with a nine year-old boy in Boston? Would you find yourself in Los Angeles wrangling snakes, or would you go to China to be licked by a performance artist? If your name is Dave Gorman, then all of these things could be true. Fuelled by a lust for life and a desperate desire to do anything except what he's supposed to be doing (writing that novel and growing up), Dave falls under the spell of an obscure internet word game - Googlehacking. Addicted to the game, and gripped by obsession, Dave travels three

Where To Download Are You Dave Gorman

times round the world, visiting four continents and the unlikeliest cast of real life eccentrics you'll ever meet in what becomes an epic challenge, a life-changing, globe-trotting Googlewhack adventure.

The plan was simple. Go to America. Buy a second-hand car. Drive coast-to-coast without giving any money to The Man™. What could possibly go wrong? Dismayed by the relentless onslaught of faceless American chains muscling in where local businesses had once thrived, Dave Gorman set off on the ultimate American road trip - in search of the true, independent heart of the U S of A. He would eat cherry pie from local diners, re-fuel at dusty gas stations and stock up on supplies from Mom and Pop's grocery store. At least that was the idea. But when did you last see an independent gas station? Gamely, Dave beds down in a Colorado trailer park, sleeps in an Oregon forest treehouse, and even spends Thanksgiving with a Mexican family in Kansas. But when his road trip mutates into an odyssey of near-epic proportions and he finds himself being threatened at gun point in Mississippi, Dave starts to worry about what's going to break down next. The car... or him?

Remember when you were a kid, and you used to go round to a friend's house to see if they were playing? Well, as adults we're not supposed to do that. Which is a shame...

Where To Download Are You Dave Gorman

because Dave Gorman likes playing. He REALLY likes games. So he knocked on the biggest door you could ever imagine - the internet - and asked 76,000 people if they fancied a game. This is the story of what happened next. Dave was up for anything and gamely played them at whatever they chose. He played some classics - Monopoly, Scrabble, dominoes and cribbage. He played many games he'd never heard of before - Khet, Kubb, Tikal or Smite anyone? He played board games and physical games. He's thrown sticks, balls, frisbees and darts. He's rolled dice and he's drawn cards. From Liverpool to Hampstead and from Croydon to Nottingham, Dave travelled the length and breadth of Britain meeting strangers in strange places - their homes, at work, in the back rooms of pubs - and getting some hardcore game action. From casual players to serious game geeks, from the rank amateur to the world champion, he discovered a nation of gamers more than happy to welcome him into their midst. He's travelled all around the country and met all sorts of people - and it turns out us Brits are a competitive bunch. And it seems that playing games can teach you a lot about what makes the British tick. Of course, Dave hasn't been keeping score. Much.

It's hard to imagine a world where anything you could possibly want to know about - and everything you don't even know you want to know about - isn't accessible 24-hours a day,

Where To Download Are You Dave Gorman

seven days a week, with just a few taps of our fingers. But that world once existed. And Dave Gorman remembers it. He remembers when there were only three channels on TV. He remembers when mobile phones were the preserve of arrogant estate agents and yuppie twonks. And he remembers when you had to unplug your phone to plug the computer into the landline in order to use the (crippling slow) internet. Nowadays of course, the world is full of people trying to tell us things. So much so that we have taught our brains not to pay much attention. After all, click the mouse, tap the screen, flick the channel and it's on to the next thing. But Dave Gorman thinks it's time to have a closer look, to find out how much nonsense we tacitly accept. Suspicious adverts, baffling newspaper headlines, fake twitter, endless cat videos, insane TV shows where the presenters ask the same questions over and over. Can we even hear ourselves think over the rising din? Or is there just too much information?

Danny Wallace was bored. Just to see what would happen, he placed a whimsical ad in a local London paper. It said, simply, "Join Me." Within a month, he was receiving letters and emails from teachers, mechanics, sales reps, vicars, schoolchildren and pensioners—all pledging allegiance to his cause. But no one knew what his cause was. Soon he was proclaimed Leader. Increasingly obsessed and possibly power-crazed, Danny

Where To Download Are You Dave Gorman

risked losing his sanity and his loyal girlfriend. But who could deny the attraction of a global following of devoted joiners? A book about dreams, ambition, and the responsibility that comes with power, *Join Me* is the true story of a man who created a cult by accident, and is proof that whilst some men were born to lead, others really haven't got a clue.

Danny Wallace has friends. He has a wife and goes to brunch, and his new house has a couch with throw pillows. But as he nears 30, he can't help wondering about his best childhood friends, whose names he finds in a long-forgotten address book. Where are they now- and where, really, is he? Acting on an impulse we've all had at least once, he travels from London to Berlin, Tokyo, Australia, and California, risking rejection and ridicule to show up on his old pals' doorsteps. Memories of his 1980s childhood- from Michael Jackson to Ghostbusters- overwhelm him as he meets former buddies who have blossomed into rappers and ninjas, time-traveling pioneers, mediocre restaurant managers, and even Fijian royalty. Danny's attempt to re-befriend them all gives remarkable new resonance to the age-old mantra, "friends forever!"

Recently single, Danny Wallace was falling

Where To Download Are You Dave Gorman

into loneliness and isolation. When a stranger on a bus advises, "Say yes more," Wallace vows to say yes to every offer, invitation, challenge, and chance. In *Yes Man*, Wallace recounts his months-long commitment to complete openness with profound insight and humbling honesty. Saying yes takes Wallace into a new plane of existence: a place where money comes as easily as it goes, nodding a lot can lead to a long weekend overseas with new friends, and romance isn't as complicated as it seems. *Yes* eventually leads to the biggest question of all: "Do you, Danny Wallace, take this woman . . ." *Yes Man* is inspiring proof that a little willingness can take anyone to the most wonderful of places.
