Arthur Conan Doyle at 4 years old Arthur Conan Doyle's humble beginnings did not predict his future success. Born on May 22, 1859, to a middle-class, Catholic family, he grew up on Edinburgh's rough-and-tumble streets, far from his successful grandfather and uncles, who hobnobbed with London's intellectual elite.

~~Arthur Conan Doyle - Stanford University~~

Sir Arthur Conan Doyle was a doctor and author during the late 1800s and early 1900s. The Sherlock Holmes stories were his claim to fame, but *The Hound of the Baskervilles* might be his most impressive work. In 2000, the accomplished writer came under allegations that he stole the Baskervilles plot and characters from Bertram Fletcher Robinson and then killed him to silence him.

Arthur Conan Doyle (Edimburgo, 1859 - Crowborough, Reino Unido, 1930) Novelista británico. De familia escocesa, estudió en las universidades de Stonyhurst y de Edimburgo, donde concluyó la carrera de medicina. Entre 1882 y 1890 ejerció como médico en Southsea (Inglaterra).

Each of these nineteen tales, from Sherlock's first appearance in *A Study in Scarlet* to the late classic *The Dying Detective*, is a potent mix of murder, suspense, cryptic clues, red herrings, and revenge -- a ground-breaking combination of forensic science and bold storytelling. Sherlock Holmes established new rules for what a fictional hero could be, and provided a template for detective stories we still follow today. With introductions by Steven and Mark for each story, this beautifully designed collection is the perfect introduction to the world of Sherlock Holmes and the ultimate gift for fans of the show it inspired. -- Jacket flap.

A remarkable annotated collection of previously unpublished private correspondence from the creator of Sherlock Holmes This extraordinary annotated collection of Sir Arthur Conan Doyle's private correspondence offers unique insight into one of the world's most popular authors. Detailing Conan Doyle's life from his beginnings as a country doctor to his struggle with the success of Sherlock Holmes and his ultimate calling as the foremost spokesman for Spiritualism, Conan Doyle's letters expose his innermost thoughts on literature, world events, and matters of the heart. Under the stewardship of editors renowned for their expertise on both Conan Doyle's life and the Sherlock Holmes stories, this remarkable volume reveals a man whose character and exploits rival that of his famous creation.

Winner of the 1999 Edgar Award for Best Biographical Work, this is "an excellent biography of the man who created Sherlock Holmes" (David Walton, *The New York Times Book Review*) This fresh, compelling biography examines the extraordinary life and strange contrasts of Sir Arthur Conan Doyle, the struggling provincial doctor who became the most popular storyteller of his age. From his youthful exploits aboard a whaling ship to his often stormy friendships with such figures as Harry Houdini and George Bernard Shaw, Conan Doyle lived a life as gripping as one of his adventures. Exhaustively researched and elegantly written, Daniel Stashower's *Teller of Tales* sets aside many myths and misconceptions to present a vivid portrait of the man behind the legend of Baker Street, with a particular emphasis on the Psychic Crusade that dominated his final years--the work that Conan Doyle himself felt to be "the most important thing in the world."

As the creator of Sherlock Holmes, "the world's most famous man who never was," Arthur Conan Doyle remains one of our favorite writers; his work is read with affection—and sometimes obsession—the world over. Doctor, writer, spiritualist: his life was no less fascinating than his fiction. Conan Doyle grew up in relative poverty in Edinburgh, with the mental illness of his artistically gifted but alcoholic father casting a shadow over his early life. He struggled both as a young doctor and in his early attempts to sell short stories, having only limited success until Sherlock Holmes became a publishing phenomenon and propelled him to worldwide fame. While he enjoyed the celebrity Holmes brought him, he also felt that the stories damaged his literary reputation. Beyond his writing, Conan Doyle led a full life, participating in the Boer War, falling in love with another woman while his wife was dying of tuberculosis, campaigning against injustice, and converting to Spiritualism, a move that would bewilder his friends and fans. During his lifetime Conan Doyle wrote more than fifteen hundred letters to members of his family, most notably his mother, revealing his innermost thoughts, fears and hopes; and Russell Miller is the first biographer to have been granted unlimited access to Conan Doyle's private correspondence. *The Adventures of Arthur Conan Doyle* also makes use of the writer's personal papers, unseen for many years, and is the first book to draw fully on the Richard Lancelyn Green archive, the world's most comprehensive collection of Conan Doyle material. Told with panache, *The Adventures of Arthur Conan Doyle* is an unprecedentedly full portrait of an enduringly popular figure.

Presents the four novels and fifty-six short stories which comprise the entire Sherlock Holmes saga

Until her death in 1920, Arthur Conan Doyle's mother, Mary Foley, was the person he most often confided in, as over a thousand of their letters attest. The story of his efforts to create a medical practice, writing short stories as a pastime, is followed by a chronicle of growing success. Further correspondence reveals a man of high morals, who stalwartly held his convictions on politics, Spiritualism, and a determination to right the wrongs he found in the world.

“ A wonderfully vivid portrait of the man behind Sherlock Holmes . . . Like all the best historical true crime books, it ’ s about so much more than crime. ” —Tana French, author of *In the Woods* A sensational Edwardian murder. A scandalous wrongful conviction. Sir Arthur Conan Doyle to the rescue—a true story. After a wealthy woman was brutally murdered in her Glasgow home in 1908, the police found a convenient suspect in Oscar Slater, an immigrant Jewish cardsharp. Though he was known to be innocent, Slater was tried, convicted, and consigned to life at hard labor. Outraged by this injustice, Arthur Conan Doyle, already world renowned as the creator of Sherlock Holmes, used the methods of his most famous character to reinvestigate the case, ultimately winning Slater ’ s freedom. With “ an eye for the telling detail, a forensic sense of evidence and a relish for research ” (The Wall Street Journal), Margalit Fox immerses readers in the science of Edwardian crime detection and illuminates a watershed moment in its history, when reflexive prejudice began to be replaced by reason and the scientific method. Praise for Conan Doyle for the Defense “ Artful and compelling . . . [Fox ’ s] narrative momentum never flags. . . . Conan Doyle for the Defense will captivate almost any reader while being pure catnip for the devotee of true-crime writing. ” —The Washington Post “ Developed with brio . . . [Fox] is excellent in linking the 19th-century creation of policing and detection with the development of both detective fiction and the science of forensics—ballistics, fingerprints, toxicology and serology—as well as the quasi science of ‘ criminal anthropology. ’ ” —The New York Times Book Review “ [Fox] has an eye for the telling detail, a forensic sense of evidence and a relish for research. ” —The Wall Street Journal “ Gripping . . . The book works on two levels, much like a good Holmes case. First, it is a fluid story of a crime. . . . Second, and more pertinently, it is a deeper story of how prejudice against a class of people, the covering up of sloppy police work and a poisonous political atmosphere can doom an innocent. We should all heed Holmes ’ s salutary lesson: rationally follow the facts to find the truth. ” —Time

Arthur Conan Doyle (1859 – 1930) was an English writer best known for his detective stories about Sherlock Holmes. “ *Sherlock Holmes: A Drama in Four Acts* ” is a four-act play by William Gillette and Sir Arthur Conan Doyle, based on several stories about the world-famous detective.
