art magazine, *Arts of Southeast Asia*, which was launched earlier this year. It is intended to bring the art of Champa, so little known around the world, closer to the interested reader. Champa was a mystical state, formed through an alliance of kingdoms, that functioned between the eighth and nineteenth centuries, wedged between the expanding Dai Viet and the Khmer Empire.

Southeast Asian arts, the literary, performing, and visual arts of Southeast Asia. Although the cultural development of the area was once dominated by Indian influence, a number of cohesive traits predate the Indian influence. Wet-rice (or padi) agriculture, metallurgy, navigation, ancestor cults,

### *Southeast Asian arts | Britannica*

The arts of many regions in Southeast Asia remained either untouched or only slightly influenced by the Indianized arts of other regions. Such influence is found especially in regions where the gold trade flourished. In Sarawak (Bonkisam), for example, the remains of buildings similar to late Vajrayana east Javanese candi s have been discovered.
