"Matteson Perry is a Nice Guy. He remembers birthdays, politely averts his eyes on the subway, and enjoys backgammon. A serial monogamist, he's never asked a stranger out. But when the girl he thought might be The One dumps him, he decides to turn his life around. He comes up with The Plan: 1. Be single for a year. 2. Date a lot of women. 3. Hurt no one's feelings. He's not out to get revenge or to become a pickup artist; he just wants to disrupt his pattern, have some fun, and discover who he is. A quick-witted Everyman, Perry throws himself into the modern world of courtship and digital dating, only to discover that even the best-laid plans won't necessarily get you laid. Over the course of a year, he dated almost thirty different women, including a Swedish tourist, a former high school crush, a born-again virgin, a groupie, an actress, a lesbian, and a biter. In Available, award-winning storyteller Matteson Perry brings us into the inner sanctum of failed pickup lines, uncomfortable courtships, awkward texts, and self-discovery, charting the highs and lows of single life and the lessons he learned along the way. Candid, empathetic, and devastatingly funny, Available is the ultimate real-life rom-com about learning to date, finding love, and becoming better at life"--

"This final, short book, is the unfolding development of a life and a mind. It reminds us that she was never primarily a political activist, but a writer and, to herself, a scholar ... Since she died last year, a victim of her en.

Ever felt crushed by love? Almost lose yourself because of love? Ever wonder how you would find yourself again? I almost did not feel a thing for a while. I had trouble sleeping and all I could think about was the love I lost. I found myself in a place I did not recognize. I called it "rock bottom". I struggled with my thoughts and emotions. How do you end something that is not over in your heart? How do you rebuild "you" again? Start with being completely honest about yourself with yourself. Remain honest about your experience with love. Do not sugar coat your feelings or where love has taken you. Heartbreak allows time for reflection. Told in poetic style ... from the author.

Love wounds the heart and soul . . . From the editors of the New York Times bestseller Not Quite What I Was Planning comes another collection of terse true tales—this time simple sagas exploring the complexities of the human heart. Six-Word Memoirs on Love & Heartbreak contains hundreds of personal stories about the pinnacles and pitfalls of romance. Brilliant in their brevity, these insightful slivers of passion, pain, and connection capture every shade of love and loss—six words at a time.

The wife of Richard Carlson—author of the best-selling self-help book Don't Sweat the Small Stuff, who died suddenly at age 45—explains how she was left to find her way through grief and the new self she found beneath it. By the author of Don't Sweat the Small Stuff for Women. 50,000 first printing.

Entertaining and touching—a vibrant memoir for anyone who's had a broken heart. When Chase Compton met the love of his life at a dirty dive bar on Manhattan's Lower East Side, he had no idea how far from comfort the relationship would take him. Their story played out at every chic restaurant, café, and bar in downtown New York City. Ravenous hunger, it seemed, was their mutual attraction to one another—until suddenly the appetite was spoiled, and Chase was left to pick up the pieces of a romance gone wrong. Left high, dry, and starving for affection (and cheeseburgers), Chase turned to an unlikely audience in a moment of desperation: Yelp.com. Detailed in the Yelp reviews is the story of how to survive a broken heart. Every meal and cocktail shared is a reminder of times spent with the ever elusive "Him." In recounting the bites devoured and the drunken fits of passion that propelled the relationship, the author chronicles his whirlwind relationship with the man of his dreams, revisiting the key places where the couple ate, drank, and fell in and out of love in

the West Village and beyond. The Yelp is a memoir of personal transformation and self-realization, or more simply—a memoir of food and love, played out on a map of modern Manhattan’s culinary scene. The book includes the original twenty-eight Yelp reviews, with interwoven narrative chapters that provide context, insight, and delight to Chase’s story.

Thorina Rose's funny, beautifully illustrated memoir charts the unexpected dissolution of her marriage and the struggles—and adventures of starting over. After marrying young, living in New York, and settling in San Francisco, Rose and her husband start a family. When he begins an affair with his "running partner," Rose must find a way to rebuild her life with her two young sons, navigating her own inner doubts, the chorus of advice from well-meaning friends, and coping mechanisms close at hand: retail therapy and pet adoption (not so useful); leaning on friends and travels with gay men (very useful). With humor and insight, *The Heartbreak Diet* is a moving and entertaining meditation on fidelity, family, and finding one's way.

For fans of *Wild*, a memoir of one woman’s road to hope following her troubled brother’s death, told through the series of cars that transported her. Growing up in a blue-collar, Midwestern family, Melissa Stephenson longed for escape. Her wanderlust was an innate reaction to the powerful personalities around her, and came too from her desire to find a place in the world where her artistic ambitions wouldn’t be thwarted. She found in automobiles the promise of a future. From a lineage of secondhand family cars of the late ’60s, to the Honda that carried her from Montana to Texas as her new marriage disintegrated, to the ’70s Ford she drove away from her brother’s house after he took his life (leaving Melissa the truck, a dog, and a few mix tapes), to the VW van she now uses to take her kids camping, she knows these cars better than she knows some of the people closest to her. Driven from grief and toward hope, Melissa reckons with what it means to lose a beloved sibling. *Driven* is a powerful story of healing, for all who have had to look back at pain to find the way forward. “Written with a poet’s ear and a traveler’s grit, and it will be a comfort to anyone who has watched a loved one self-destruct.”—Sarah Hepola, author of *Blackout* “Not all writers are survivors and not all survivors are writers, but Melissa Stephenson is both and goddamn is she good. *Driven* is a book you will want to hold right against your heart, to take with you everywhere you go.”—Domenica Ruta, author of *With or Without You*

'I devoured *A Manual for Heartache* in one sitting . . . a kind, honest and wise book about how to make a friend of sadness.' Rachel Joyce, author of *The Unlikely Pilgrimage of Harold Fry*. When Cathy Rentzenbrink was still a teenager, her happy family was torn apart by an unthinkable tragedy. In *A Manual for Heartache* she describes how she learnt to live with grief and loss and find joy in the world again. She explores how to cope with life at its most difficult and overwhelming and how we can emerge from suffering forever changed, but filled with hope. This is a moving, warm and uplifting book that offers solidarity and comfort to anyone going through a painful time, whatever it might be. It's a book that will help to soothe an aching heart and assure its readers that they're not alone.

What is it they say? Life is what happens while we are making other plans? Avery is certainly not planning on the unexpected turn her life takes as it suddenly veers off the predictable path and swerves out of control. Facing devastating losses, she battles to keep hope and faith alive in the midst of the insanity that has become her life. From the actual pages of her journal, Avery shares personal details of this extraordinary journey with God and her astonishing discoveries. Inside a heart broken seemingly beyond repair, she receives an incredible gift. True Love. Perhaps the only way to learn the meaning of true love deep down in your soul is to desperately need it. This is not your typical love story, but it is a love story. A story about Love that never gives up.
