...

Will you like me better then, I wonder? Once I am your sire?" Leigh was trying to decide if he meant from the bite he'd given her or if he'd have to bite her two more times, like in the books and movies, when he abruptly raised his left wrist to his mouth and sliced open a vein with one of his fangs. Oh, that is so totally gross, she thought.

If the broken skin is more of a scratch than a serious wound, you can usually just clean it with soap and warm water, apply an antiseptic cream, and cover it with a bandage. But obviously seek medical assistance if any bite wound doesn't heal quickly or it starts to look red, inflamed, or infected.
