An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

I came to London to kill vampires... ..I failed. I woke up in my apartment days after our failed mission, alone and near death. Well, alone apart from the Vampire King who has been in my head since he bit me that night. I don't know how our minds became linked or how I survived that night when the rest of my team did not, but I've been in hiding ever since. I think it's fair to say my life has gone to shit. What's left of it, anyway. I don't know where he is, but I can sense him within me, and I know the only thing he hates more than the werewolves that plague his city... is me. My life now revolves around two things: staying alive and pissing off the bloodsucker in my head.And the only thing that drives him crazier than drinking myself unconscious? Sleeping with the enemy.
