Most usually in the publishing industry:- If it's an "edition," it generally means there are some actual content differences between this and the previous editions. If it's just the cover picture that's different (but not the contents), then it's an "imprint" (less usually) or "printing" (more usually).

What is the difference between book editions?  
Is it just ...

"Strictly speaking, an edition comprises all copies of a book printed at any time from one setting-up of type without substantial change." A printing [also known as] "an impression comprises the whole number of copies of that edition printed at one time, without the type or plates being removed from the press."
