~~My Name Is Memory - Wikipedia~~

Daniel has "the memory", the ability to recall past lives and recognize souls of those he's previously known. It is a gift and a curse. For all the times that he and Sophia have been drawn together throughout history, they have also been torn painfully, fatally, apart. A love always too short.

Courtney Webb. Ann Brashares' latest novel, My Name Is Memory, is the perfect melding of historical and contemporary fiction. As the saga of lovers doomed to meet and be torn apart throughout history, it offers both the modern love story mixed with the magical writings of days past. Brashares proves herself not only a true storyteller, but also a gifted writer able to turn research into reality on the page while still keeping readers engaged in present day.

My Name is Memory (Unabridged) I really enjoyed this book. It had a lot of detail and brought you right into the story. It made you feel the feelings in the book. The test of a good writer. It is definately a love story. The ending certainly left the possibility for a sequel. I hope and look forward to a sequel.
