The book begins, "I have just one picture left of my mother." The narrator, a young woman named Liz Murray, keeps a small, creased, black-and-white photograph of her mother, taken when Liz's mother was sixteen. Liz sees that she, Liz, looks a little like her mother (though Liz thinks she's not as pretty as her mother).

In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

Liz Murray never really had a chance in life. Born to a drug-addicted father who was in and out of prison, and an equally dependent mother who was in and out of mental institutions, she seemed destined to become just another tragic statistic; another life wasted on the brutal streets of New York. By the age of 15, Liz found herself homeless with nowhere to turn but the tough streets, riding subways all night for a warm place to sleep and foraging through dumpsters for food. But when her mother died of AIDS a year later, Liz's life changed for ever. With no education, with no chance at a job or a home, she realised that only the most astonishing of turnarounds could stop her heading all the way down the same path her parents took. And so she set her mind to overcoming what seemed like impossible odds - and in the process, achieved something extraordinary. Told with astounding sincerity, *Breaking Night* is the breathtaking and inspirational story of how a young woman, born into a world without hope, used every ounce of strength and determination to steer herself towards a brighter future. Beautifully written, it is a poignant, evocative and stirring portrait of struggle, desperation, forgiveness and survival.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A continuation of the memoir "A Girl Named Zippy" follows the story of her mother, Delonda, who reinvents her life by returning to college and losing fifty pounds, while Zippy continues to work out the dynamic of their nuclear family.

Major Nghu, the fanatic North Vietnamese officer from book 1, is back. This time, he's got many more soldiers under his command, and uses different tactics, which he believes are guaranteed to defeat the Marines and Popular Forces of Combined Action Platoon Tango Niner. He starts by violating the Christmas truce - at a time when the Marines have American women visiting for Christmas dinner! Defeating the North Vietnamese is the toughest job Tango Niner has faced, especially once Major Nghu and his forces begin targeting the civilian population of the hamlets of Bun Hoa village. Step by step, Major Nghu believes he is achieving his ultimate goal of defeating the Marines and PFs of Tango Niner. Step by step, the Marines and PFs find ways to counter him and his forces, until they meet in the ultimate battle for control of the Song Du Ong river valley.

addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

When the Lady of the Lake speaks, she expects you to listen... Never one to linger, computer security expert Charity Puck doesn't expect to be romanced by the small-town charm of her latest job. But when her RV rolls into Plentiful, Wisconsin, nestled along the breathtaking shores of Lake Superior, she's convinced nothing could be more alluring—until she gazes into the delectable hazel eyes of her new client. Underestimated due to the crutches on his arms and braces on his legs, CEO and researcher Gulliver Winsome doesn't expect his job to put his life in danger. But as he rushes to bring an eco-friendly pesticide to market, in an attempt to save the pollinators, he finds himself the target of a sinister plot—uncovered by the tiny blonde dynamo he hired to fix his servers. Someone is trying to steal Gulliver's research, and they'll stop at nothing to bury the evidence. With feelings in bloom and the would-be couple's lives in peril, it's up to Charity to decipher the clues before they both end up in the Lady of the Lake's cold-water castle.
