Building Your Case For Support

Your Case for Support should use simple, clear and compelling language to articulate what the financial resources you intend to ask people to give you will help you accomplish. Your Case should answer the question 'why do you need the gift you asked me for?' If a donor has to ask you that question you've not succeeded in composing your Case.

A quick guide to writing a compelling case statement ...

Your case for support doesn't start out as a polished document. No one's does. Your case should begin as a series of ideas organized in a logical and compelling way. And while your organization's campaign may be very different from any other organization's, we've found that all truly compelling cases follow this simple 6-part framework. 1. Your Vision.
