Passions and Constraint: On the Theory of Liberal ...

In this collection of essays on the core values of liberalism, Stephen Holmes—noted for his scathing reviews of books by liberalism's opponents—challenges commonly held assumptions about liberal theory. By placing it into its original historical context, *Passions and Constraints* presents an interconnected argument meant to fundamentally change the way we conceive of liberalism.

Passions and Constraint: On the Theory of Liberal ...

Holmes argues that the aspirations of liberal democracy—including individual liberty, the equal dignity of citizens, and a tolerance for diversity—are best understood in relation to two central themes of classical liberal theory: the psychological motivations of individuals and the necessary constraint on individual passions provided by institutions.
