Understanding Children and Young People's Mental Health has been designed to help the student and newly qualified health care professional to familiarise themselves with the key theoretical frameworks underpinning the field of children and young people's mental health. It explores the mental health challenges that children and young people face, and how we as adults can work alongside them to help them face and overcome such challenges. This book provides comprehensive information on the theory and practice of particular mental health difficulties which children and young people may have to face, including self-harm, depression, suicide, child abuse, eating disorders, substance misuse, and early onset psychosis. Understanding Children and Young People's Mental Health is essential reading for pre-registration students in nursing and healthcare on child and mental health branches, and for newly qualified nursing, health and social care practitioners who work with children and young people. Brings together specialist practitioners and academics in the field Incorporates the latest guidelines and policies Practical and accessible in style with learning outcomes, activities, examples and recommended reading in each chapter

Build the knowledge and skills required to become an Early Years Practitioner with this brand new textbook for Level 2, written by bestselling early years experts Penny Tassoni and Louise Burnham. - Ensure learners are fully prepared for assessment with full coverage of all units. - Encourage students to gauge their own progress with regular Checkpoint quizzes. - Prepare for working in real settings with practically-focused Dos and Don'ts. - Motivate students with engaging language, attractive photographs and a colourful design.
