Captain Bligh is not as evil, nor Mr. Christian so saintly, as portrayed in the movies of this event. In reality it was all more nuanced. Still I totally understand Mr. Christian's desire to stay in Tahiti - it sounded incredible but Pitcairn much less so.

Captain Bligh and Mr.Christian: The Men and the Mutiny ...

William Bligh was undoubtedly a bully and at times a poor leader, however he was a great navigator and seaman, perhaps the greatest of his generation, Fletcher Christian one-time favourite of Bligh's was a weak character, who only led the mutiny because his plan to desert would have been even more of a disaster.

Captain Bligh & Mr. Christian: The Men and the Mutiny by ...

In Captain Bligh and Mr Christian he has set down all the aspects of this extraordinary story in a manner which is utterly compelling, and he has brought alive the powerful characters who played out those events. The Bounty set out in 1788 to transport breadfruit from Tahiti to the West Indies as a cheap source of food for slaves.

Captain Bligh and Mr.Christian by Richard Hough | Waterstones

He argues that the crusty Captain Bligh and Spencer Christian were really gay lovers and this explains the combustibility and passions that came into play. Bligh according to this view was jealous of Christian's love affair with the Tahitian girl he later fathered three children with.

Captain Bligh and Mr. Christian: The Men and the Mutiny ...

The film also features Laurence Olivier, Daniel Day-Lewis and Liam Neeson. The screenplay by Robert Bolt was based on the book Captain Bligh and Mr. Christian (1972) by Richard Hough. The film was made by Dino De Laurentiis Productions and Bounty Productions Ltd. and distributed by Orion Pictures Corporation and Thorn EMI Screen Entertainment.

The Bounty (1984 film) - Wikipedia

Led by Master's Mate / Acting Lieutenant Fletcher Christian, disaffected crewmen seized control of the ship, and set the then Lieutenant Bligh, who was the ship's captain, and 18 loyalists adrift in the ship's open launch. The mutineers variously settled on Tahiti or on Pitcairn

Island.

Captain Bligh and Mr.Christian: The Men and the Mutiny by ...

Mmm, breadfruit. The movie shows Captain Bligh doing all kinds of mean stuff to the crew in the name of discipline. Eventually, the first mate, Mr. Christian, can't take it anymore and launches a rebellion against Bligh.

This epic drama follows Fletcher Christian and his mutineers' and Captain Bligh's remarkable 3,600-mile voyage in an open launch.

The bestselling author of *Bred to Win* and *Born with the Century* thrusts Bounty mutiny leader Fletcher Christian into a rousing and exhilarating tale of high adventure, romance, and treachery at sea. On April 28, 1789, Fletcher Christian led a mutiny aboard HMS BOUNTY and forced Capt. William Bligh and eighteen men overboard. History tells us that the mutineers settled on Pitcairn Island in the South Pacific where their idyll came to a violent end in a native uprising. But there are numerous historical incidents suggesting that Christian was not killed and managed to escape. In Kinsolving's novel, Christian does escape, and subsequently frees a beautiful young Englishwoman, Daphne, from debauched privateers. Together they reach a deserted island where they fall deeply in love - a love that sustains them both through the worst of times that follow.

The mutiny on HMS Bounty, in the South Pacific on 28 April 1789, is one of history's truly great stories - a tale of human drama, intrigue and adventure of the highest order - and in the hands of Peter FitzSimons it comes to life as never before. Commissioned by the Royal Navy to collect breadfruit plants from Tahiti and take them to the West Indies, the Bounty's crew found themselves in a tropical paradise. Five months later, they did not want to leave. Under the leadership of Fletcher Christian most of the crew mutinied soon after sailing from Tahiti, setting Captain William Bligh and 18 loyal crewmen adrift in a small open boat. In one of history's great feats of seamanship, Bligh navigated this tiny vessel for 3618 nautical miles to Timor. Fletcher Christian and the mutineers sailed back to Tahiti, where most remained and were later tried

for mutiny. But Christian, along with eight fellow mutineers and some Tahitian men and women, sailed off into the unknown, eventually discovering the isolated Pitcairn Island - at the time not even marked on British maps - and settling there. This astonishing story is historical adventure at its very best, encompassing the mutiny, Bligh's monumental achievement in navigating to safety, and Fletcher Christian and the mutineers' own epic journey from the sensual paradise of Tahiti to the outpost of Pitcairn Island. The mutineers' descendants live on Pitcairn to this day, amid swirling stories and rumours of past sexual transgressions and present-day repercussions. Mutiny on the Bounty is a sprawling, dramatic tale of intrigue, bravery and sheer boldness, told with the accuracy of historical detail and total command of story that are Peter FitzSimons' trademarks.

Captain Bligh and the mutiny on the Bounty have become proverbial in their capacity to evoke the extravagant and violent abuse of power. But William Bligh was one of the least violent disciplinarians in the British navy. It is this paradox which inspired Greg Denning to ask why the mutiny took place. His book explores the theatrical nature of what was enacted in the power-play on deck, on the beaches at Tahiti and in the murderous settlement at Pitcairn, on the altar stones and temples of sacrifice, and on the catheads from which men were hanged. Part of the key lies in the curious puzzle of Mr Bligh's bad language.

More than two centuries after Master's Mate Fletcher Christian led a mutiny against Lieutenant William Bligh on a small, armed transport vessel called Bounty, the true story of this enthralling adventure has become obscured by the legend. Combining vivid characterization and deft storytelling, Caroline Alexander shatters the centuries-old myths surrounding this story. She brilliantly shows how, in a desperate attempt to save one man from the gallows and another from ignominy, two powerful families came together and began to create the version of history we know today. The true story of the mutiny on the Bounty is an epic of duty and heroism, pride and power, and the assassination of a brave man's honor at the dawn of the Romantic age.

In Bligh, the story of the most notorious of all Pacific explorers is told through a new lens as a significant episode in the history of the world, not simply of the West. Award-winning anthropologist Anne Salmond recounts the triumphs and disasters of William Bligh's life and career in a riveting narrative that for the first time portrays the Pacific islanders as key players. From 1777, Salmond charts Bligh's three Pacific voyages - with Captain James Cook in the Resolution, on board the Bounty, and as commander of the Providence. Salmond offers new insights into the mutiny aboard the Bounty - and on Bligh's extraordinary 3000-mile journey across the Pacific in a small boat - through new revelations from unguarded letters between him and his wife Betsy. We learn of their passionate relationship, and her unstinting loyalty throughout the trials of his turbulent career and his fight to clear his name. This beautifully told story reveals Bligh as an important ethnographer, adding to the paradoxical legacy of the famed seaman. For the first time, we hear how Bligh and his men were changed by their experiences in the South Seas, and how in turn they changed that island world forever. 'Remarkable . . . The mutiny has inspired some marvellous books, of which this is possibly the finest.' --Jim Eagles, New Zealand Herald
