Captain's Day: A Golf Causerie: Amazon.co.uk: Ravenscroft ...
Review of Captain's day by Terry Ravenscroft 3 stars Think of Captains Day as a cross between Blott on the Landscape and The Good life all based on a golf course. The laughs come thick and fast and I did truly laugh at the lively and colorful characters. The reason it's not got more stars is that I found the laughter rather too slapstick and ...

If golf is, as Mark Twain said, "a good walk spoiled," then Captain's Day is "the Apocalypse on well-manicured turf." Only the sharply twisted wit of award-winning BBC comedy writer Terry Ravenscroft could come up with so many outrageous, hilarious, mind's-eye-bending, and just plain bizarre happenings, all in the course of one day, on the course of one golf club.

Captains Day A Golf Causerie - cable.vanhensy.com

Knebworth Golf Club's captain, Peter Simmons, with the winning team. Archant Over 100 golfers battled terrible weather at Knebworth Golf Club to support their annual Captain's Day.

File Type PDF Captains Day A Golf Causerie

At Sunnymere Golf Club meticulous plans put in place by club captain Henry Fridlington ought to have guaranteed that his Captain's Day would be the best day in his life. However Henry has recently enforced a 'no swearing on the golf course' policy, a policy which has not gone down at all well with the membership - and a policy which is largely instrumental in ensuring that far from being the best day in his life his Captain's Day quickly turns into the very worst day of his life. Of course the self-important behaviour of Henry himself doesn't help matters. Neither does the arrival of the fire brigade on the golf course, the arrival of the police and the arrival of a twenty feet high pile of manure on the eighteenth green. But even without these unwanted distractions the two naked golfers

File Type PDF Captains Day A Golf Causerie

charging about the course, one of them fuelled by drugs, the other fuelled by the desire to escape from the cuckolded fellow golfer chasing him, might have been enough to make Henry wish he'd never heard of the game of golf. Not to mention the mayhem caused by dance DJ Daddy Rhythm and his 120 decibel disco. Nor what the Lady Captain was getting up to with Henry's father-in-law and two of his friends when Henry called in with his friend the Lord Mayor at the hospitality tent. Captain's Day will make non-golfers wonder why otherwise sane people take up the game and those who have taken up the game wish they had taken up something less fraught with danger, such as formation hang-gliding. Just one of many 5 star Amazon Reviews - "This is a very funny book. It will be enjoyed by golfers and non -golfers alike. In fact if Captain's Day was like this in real life, lots more would take up the game.

File Type PDF Captains Day A Golf Causerie

Refreshingly non PC with events that only the author could ever think of. Great fun and I doubt you have ever read anything like it before." Cornishblue.Captain's Day contains some sex scenes and strong language.

At Sunnymere Golf Club meticulous plans put in place by club captain Henry Fridlington and his good lady wife Millicent ought to have guaranteed that his Captain's Day would be the best day of his life. However Henry has recently enforced a strict 'no swearing on the golf course' policy, a policy which has not gone down at all well with the membership - and a policy which is largely instrumental, along with more than a little help from Henry himself, in ensuring that far from being the best day in his life his Captain's Day turns into the very worst day of his life. Read extracts from Captain's Day

on the topcomedy website.

Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so

File Type PDF Captains Day A Golf Causerie

exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!” In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots’ original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odynacusis.. In this manner, A

proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and

File Type PDF Captains Day A Golf Causerie

two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

White conducted more than 130 interviews in Kenya, Uganda, and Zambia to compile this "stimulating and provocative . . . book on vampires (that) reverses strong mythologies" (Valentin Mudimbe, author of "The Idea of Africa") about the subject. 2 maps.
