Changing Lenses A New Focus
"Changing Lenses" details the abuses of our current retributive justice system and proposes a new (and old) biblical, practical and indispensable vision for a criminal system that restores justice. Zehr combines his theological and intellectual insights with his experience as founder of the first victim-offender mediation program in the United States.

Changing Lenses: A New Focus for Crime and Justice. Howard Zehr. Herald Press, 1990 - Social Science - 271 pages. 0 Reviews. Crime victims have many needs, most of which our criminal justice system ignores. In fact, the justice system often increases the injury. Offenders are less ignored by this system, but their real needs -- for ...

Changing Lenses: A New Focus for Crime and Justice ...
Changing Lenses will get you thinking in new ways about criminal justice and about justice and injustice in general. The invitation to look at life through "new lenses" is critical I read this book in advance of taking a course in "restorative justice" as part of the Summer Peacebuilding Institute at Eastern Mennonite University in Harrisonburg, Virginia.
