This chapter also teaches a central lesson about survival: life is not fair. The moose attack is not only sudden, but it appears to have no identifiable cause. Brian is hit by the tornado shortly after being attacked and wounded by a moose for no reason. The author makes it clear that the concept of fairness is meaningless in the wild.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

The football star made famous in the hit film (and book) *The Blind Side* reflects on how far he has come from the circumstances of his youth. Michael Oher shares his personal account of his story, in this inspirational New York Times bestseller. Looking back on how he went from being a homeless child in Memphis to playing in the NFL, Michael talks about the goals he had to break out of the cycle of poverty, addiction, and hopelessness that trapped his family. Eventually he grasped onto football as his ticket out and worked hard to make his dream into a reality. With his adoptive family, the Touhys, and other influential people in mind, he describes the absolute necessity of seeking out positive role models and good friends who share the same values to achieve one's dreams. Sharing untold stories of heartache, determination, courage, and love, *I Beat the Odds* is an incredibly rousing tale of one young man's quest to achieve the American dream.

beautifully crafted and profoundly moving novel which follows a woman as she looks back over her life and her first love. Ann Workman is smart but naïve, a misfit who 's traveled from rural Kentucky to graduate school in the transformative years of the late 1960s. While Ann fervently seeks higher learning, she wants what all girls yearn for—a boyfriend. But not any boy. She wants the “ Real Thing, ” to be in love with someone who loves her equally. Then Jimmy appears as if by magic. Although he comes from a very different place, upper-middle class suburban Chicago, he is a misfit too, a rebel who rejects his upbringing and questions everything. Ann and Jimmy bond through music and literature and their own quirkiness, diving headfirst into what seems to be a perfect relationship. But with the Vietnam War looming and the country in turmoil, their future is uncertain. Many years later, Ann recalls this time of innocence—and her own obsession with Jimmy—as she faces another life crisis. Seeking escape from her problems, she tries to imagine where she might be if she had chosen differently all those years ago. What if she had gone to Stanford University, as her mentor had urged, instead of a small school on the East Coast? Would she have been caught up in the Summer of Love and its subsequent dark turns? Or would her own good sense have saved her from disaster? Beautifully written and expertly told, *Dear Ann* is the wrenching story of one woman 's life and the choices she has made. Bobbie Ann Mason captures at once the excitement of youth and the nostalgia of age, and how consideration of the road not taken—the interplay of memory and imagination—can illuminate, and perhaps overtake, our present.

unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings

McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

plan: graduate medical school and become the top surgeon in the country. But when she became unexpectedly pregnant, those plans changed. And when her fiancé left her, they changed again. Now navigating the new world of coparenting, mom groups, and dating, she decides to launch a mommy podcast with all the advice she wishes someone had given her. Jude and Lauren don't have much in common, but maybe that's why they've been best friends since the third grade. Through ups and downs, they've been by each other's sides. But now? They 're broke, single, and do the only thing that makes sense—move in together, just like they talked about when they were teenagers. Except when they were younger, the plan didn't include a five-year-old daughter and more baggage than their new townhouse can hold.

for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa ' s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man ' s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother ' s unconventional, unconditional love.

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love
