How much money are you (yes YOU!) missing that you don't even realize? You could continue to miss out on your money unless you search exactly the way it's listed. Even your heirs may never find it.It could be money from a savings account from childhood, an uncashed check, utility deposits, a refund or rebate, stocks, safe deposit box contents, or an inheritance. With \$33 billion being held by the states plus the additional money sites Mary Pitman has identified, it's worth a look. Mary's search tips can help locate listings that would otherwise never be found. Avoid paying finder's fees. Learn how to prevent your money from going to the state, Cash in! It's all in this comprehensive resource that was named to Kirkus Reviews "Best of 2011" list.The 2nd edition is now available! More search tips, more places to search and more information for consumers.

Business journalism is of critical importance to society, though it may appear to some that it concerns only big business and big investors. A Quick Guide to Writing Business Stories helps students acquire the marketable writing skills required to succeed in this competitive and vibrant segment of print and online journalism. This hands-on, practical text provides step-by-step guidance on how to write business articles such as the corporate quarterly earnings story, small business profiles, and business or consumer trend stories. Mathewson's book, based on Northwestern University's highly successful business journalism program, guides students in the use of data, documents and sophisticated expert sources. With A Quick Guide to Writing Business Stories as their resource, students will be able to write challenging stories with clarity and speed, greatly enhancing the journalist's ability to tackle stories on other complex topics, in any medium.
