This print textbook is available for students to rent for their classes. The Pearson print rental program provides students with affordable access to learning materials, so they come to class ready to succeed. For courses in world history. A narrative exploration of world history and cultures Civilizations Past and Present presents a survey of world history, treating the development and growth of civilization as a global phenomenon involving the interaction of all of the world's cultures. The text includes all the elements of history -- social, economic, political, military, religious, aesthetic, legal, and technological -- to illustrate this global interaction. The 13th Edition has been substantially revised and made more concise while emphasizing world trends and carefully avoiding placing these trends within a Western conceptual basis.

Chronologically traces the course of human history and civilization from prehistoric times to the present day, covering key events, people, inventions and discoveries, and ideas and beliefs.

Visit the Yucatan, home of the ancient Maya. See their pyramids, try to read their alphabet, and find out how they knew about the planets. See how Maya life in Mexico today is a blend of the old and the new.

This two-volume compilation of primary sources in world civilization is based around eight major themes to provide direction and cohesion to the text. Designed to involve students with important historical questions and controversies, the text promotes thoughtful comparisons between world societies that are linked to common problems, events or themes within the same time period and across chronological divisions. Broad in scope, the text incorporates a wide variety of political, social, economic, religious, intellectual and scientific issues, and is designed to help students consider historical questions and concerns.

Do you want to know how the Human Race got to where it is today? Read about the 50 most important events in human history, from the first civilizations to the birth of the internet. This book is perfect for history lovers. Author James Weber did the research and compiled this huge list of events that changed the course of history forever. Some of them include:- The first civilization in Mesopotamia in 3,000 B.C.- The Norman Invasion of England in 1066- The invention of the printing press by Johannes Guttenberg around 1450- The French Revolution in 1789- The first motorized airplane flight in 1903- The Moonlanding in 1969 and many many more The book includes pictures and explanations to every event, making this the perfect resource for students and anyone wanting to broaden their knowledge in history.
