But the most important thing about the Messiah was that he would drive Caesar and his armies out of the country. Caesar! How they hated his very name! For Caesar was the emperor of the Romans. Some years before, the Romans had occupied the country and begun to rule it. Herod was still king of the Jews, but now he took his orders from Caesar. Everybody had to take orders from Caesar. The Jews were not a free people any more. -It used to be so different,- the older people sighed, -before the Romans came.

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

Who Rides the White Horse Hi my friend, after you've read this book you may not want to consider me a friend. I'm learning to accept that. There was a time that when I met someone like me the way I am now. I felt the same way as many of you will. Even though you won't be able to prove me wrong, you're going to hate me for the way I tell the truth. Yes I know I seem to act and sound cocky. I'm hoping that some one can knock old Ray off his high horse with a stronger sense of truth than mine. It's been a few years now and no one yet has done that. My pledge is that should some one prove anything that I have said to be a lie at the very least I'll have to publically apologize. If my word is worth anything it's now on the line. My name is Ray Ralph. I'm the author of Christ, Christianity, and Christians Welcome to the real world. For most of you who are about to read this book, It will most likely not live up to your expectations. The majority of you who read these types of books will be expecting more of the same old same old. These days preachers of all faiths prepare their sermons for their next worship day. You will

attend the service out of tradition, and habit more than anything else. It's your responsibility, your duty to honor God with your presence. You'll show up at the church dressed in your Sunday best whether you have services on Sunday, Saturday, or any other day. You'll find your seat, make yourself as comfortable as you can, some of those seats are as comfortable as easy chairs, and some are bring your own pillows. Then you muddle through the next few hours give or take. Whatever the sermon is about, you usually don't have a say, and yet you'll suppose ably accept it as Gods Word. What was said actually didn't make sense but hey, the sermon was good the pastor who told it is your friend. Gods chosen representative. They don't make mistakes and if they do there so insignificant it doesn't matter. Like many of you I was raised a Christian and as I was growing up I heard the word of God told to me the same way, over and over for over 50 years. Myself I had never read a book of the Bible in my life. I used the same excuse as many of you; it's just too hard to understand. All those years I just took for granted that what my preachers were telling me was Gods Word. My preachers wouldn't lie. I stood up for my faith whatever the consequences. Now that I think back upon many of my conversations with other faiths it didn't matter that what I was saying was totally wrong, as far as I was concerned I was right and they were wrong. What I couldn't figure out was why everyone else couldn't see that my faith was the true faith. I could see their faiths short comings, but I couldn't see mine. Then one morning it happened, TheReallyTruth. You are now about to read Christ, Christianity, and Christians. This Roller Coaster Ride I call TheReallyTruth is rolling, ride with your eyes and mind wide open. Remember to show this book to your pastor's asking them to put Ray in his place. Should you and or your faith disagree with what I say, they should be able to do that? Thank You and Enjoy!... Sincerely Ray Ralph ...

Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. Hleo is the first book in the series with the same name. A story of destiny and how one decision can change everything. When you buy a copy of Hleo, your one decision also has the ability to change the lives of others across the globe. \$3.00CAD from every copy of Hleo purchased goes towards the amazing efforts of the Because I am a Girl Education initiative. Fighting to bring literacy and safe learning resources to girls living in some of the poorest nations in this world.
