Communicate: Strategies for International Teaching ---
Do not say one thing and express something else through your body language. Be aware of how your non-verbal communication relates to your spoken words. If someone else seems to be sending a double message — by saying one thing and expressing something else in their body language — ask for clarification.

Effective Communication: Barriers and Strategies | Centre ---
Part I: Verbal Communication Strategies. Let's start with the most common type of communication for most people—verbal. Here are communication tips to help you in face-to-face (or phone) conversations. 1. Practice active listening. Have you ever been in a conversation where all you could think about was what you wanted to say next?

It works well enough once you know about it, but it's not immediately obvious. Communicate Strategies For International Teaching Communicate ...

Communicate Strategies For International Teaching Assistants
Turn Taking. One of the most basic building blocks of a good conversation is learning to take turns. Mendler suggests: "Use an object, such as a talking stick as a signal for turn-taking. Teach your students that when they have the object, it is their turn to talk or pass while others are expected to listen."

Communicate: Strategies for International Teaching ---
These numerous listening and speaking activities are an advantage over some other popular ITA training textbooks, such as Communicate: Strategies for International Teaching Assistants (Smith, Meyers, & Burkhalter, 1992). For many of the topics, along with the listening activities, students are shown visual representations of the speech phenomenon, such as pitch and intensity diagrams, which have been captured through computer programs (for examples, see pp. 12 & 24-27).
