...In the film Consuming Kids, it really shows the dark side of marketing to kids. Marketing to kids gives them bad study habits because they will always want to play with their cool new toy that they saw on TV instead of doing their schoolwork. When I was young, I know that’s all I would want to do is play with my cool new toy.

Consuming Kids (Summary) Essay - 420 Words

Consuming Kids The Commercialization of Childhood Transcript INTRODUCTION The consumer embryo begins to develop during the first year of existence. Children begin their consumer journey in infancy. And they certainly deserve consideration as consumers at that time. – James U. McNeal | Pioneering Youth Marketer

In Consuming Kids, child psychologist Susan Linn reveals the scope and consequences of the increasing commercialization of childhood, which effects more than just parents. It is a profoundly disturbing book; were I a parent its revelations would horrify me. But it demands to be read. Consuming Kids opens at a conference in which children are the
