avoid the traditional publishing route.

This edition does not include illustrations. ‘ Irresistible...history at its most human. Elegant and addictively readable. ’ William Dalrymple

The lifestyle of the classical Greeks often seems disappointingly modest when compared to those of other legendary civilizations. Where are the marble floors, the pillared halls, the gilded rooms? Even the Athenians, the richest and most powerful of the Greeks, were said by one contemporary to dress no better than slaves. Athenians, however, were as skilled at spending as their playwrights were at devising tragedies. Vast estates vanished overnight, squandered not on material luxury but on eating, drinking, and sex--ephemeral pleasures that left no monuments but are recounted in numerous ancient texts. Much of what they describe seems familiar--the pleasures of wine, the dangers of seduction, a mouthwatering plate of squid--but some stories are more puzzling: savages on the shores of the Persian Gulf who live off bread made of fish-flour; Alexander the Great drinks a toast that kills him; Socrates interrogates a beautiful woman who lives in luxury with no obvious means of support. James Davidson masterfully unravels these strange anecdotes, casting new light not only on ancient pleasures but on the Ancient World as a whole. Full of intriguing detail and perspicacious insight, *Courtesans and Fishcakes* takes swipec at the old scholarship (Freud, Nietzsche, Foucault) and lays the groundwork for the new, delivering a fascinating and engagingly written study of the hedonism that ruled Athens.

A brilliantly entertaining and innovative history of the ancient Athenians ’ consuming passions for food, wine and sex.

An examination of the lives of nineteenth-century Britain's demimonde offers insight into the hierarchies, etiquette, and protocols

of the period's courtesans, focusing on five women of particular influence as well as the factors that contributed to their social successes and decline. Reprint. 15,000 first printing.

The wisest teachings of Buddhism say that, like all oppositions, one must move beyond gender. But as Serinity Young shows in this enlightening work, the rhetoric of Buddhist texts, the symbolism of its iconography, and the performative import of its rituals, tell different, and often contradictory, stories. In *Courtesans and Tantric Consorts*, Serinity Young takes the reader on a journey through more than 2000 years of biographical writings, iconographic depictions, and ritual practices revealing Buddhism's deep struggles with gender. Juxtaposing empowering images of women with their textual repudiation, beginning with the Buddha himself who abandoned his wife; tantric courtesans who are considered necessary to male enlightenment with fertility rituals designed to ensure male offspring; tales of gender-bending gods and goddesses with all male heavens; Serinity Young draws on a vast range of sources to reveal the colourful, and often troubling, mosaic of beliefs that inform Buddhist views about gender and sexuality.

E. P. Sanders offers an expansive introduction to the apostle, navigating some of the thorniest issues in scholarship using language accessible to the novice and seasoned scholar alike. Always careful to distinguish what we can know historically from what we may only conjecture, and these from dogmatically driven misrepresentations, Sanders sketches a fresh picture of the apostle as an ardent defender of his own convictions, ever ready to craft the sorts of arguments that now fill his letters. E. P. Sanders has for many years been one of the leading scholars of Paul's life and work. His book is a key text for scholars and students alike.

*Concubines and Courtesans: Women and Slavery in Islamic History* contains sixteen essays on enslaved and freed women across medieval
