CSWIP Visual Welding Inspector - TWI Training

Renewal/Recertification Application Request. Please submit the information below and we will send you the relevant application form.

Renewal or Recertification - CSWIP

CSWIP is considered by many (both individuals and employers alike), as the most reliable welding inspection competence assurance available due to the integrity and reliability of CSWIP certification. By providing three levels of certification this suite of welding inspection certification enables those who have experience in welding engineering to expand their knowledge and career prospects; while assuring employers of the competence of their inspectors, and the quality of the welds.

Welding Inspection - CSWIP

Continuing to deliver on our assurance of 'Compliance through Competence,' TWI Certification Ltd is pleased to inform all CSWIP and BGAS-CSWIP certificate holders, as well as current and prospective employers, of our online verification service. This service is designed to provide a guarantee of authenticity for your certification, while also protecting the personal data of our 60,000 CSWIP certificate holders.

Verification - CSWIP

CSWIP and BGAS-CSWIP schemes require the submission of verified evidence (signed log sheets) of work activities covering the certification period; as well as details of Continuous Professional Development (CPD). The easiest way to provide evidence of your work experience and your CPD activities is to update your logbook regularly.
