“ A landmark work of lesbian fiction ” and the basis for the acclaimed film Desert Hearts (The New York Times). Against the backdrop of Reno, Nevada, in the late 1950s, award-winning author Jane Rule chronicles a love affair between two women. When Desert of the Heart opens, Evelyn Hall is on a plane that will take her from her old life in Oakland, California, to Reno, where she plans to divorce her husband of sixteen years. A voluntary exile in a brave new world, she meets a woman who will change her life. Fifteen years younger, Ann Childs works as a change apron in a casino. Evelyn is instantly drawn to the fiercely independent Ann, and their friendship soon evolves into a romantic relationship. An English professor who had always led a conventional life, Evelyn suddenly finds all her beliefs about love, morality, and identity called into question. Peopled by a cast of unforgettable characters, this is a novel that dares to ask whether love between two women can last.

A decades-spanning novel of sisterhood and family secrets from an “ extraordinary writer ” (Katherine V. Forrest). Born lame, Amelia Larson lives in the house that has been in her family for generations. Now she has a decision to make: Should she honor the dying wish of her sister, Beatrice, to burn her diaries? There are sixty-nine in all: one journal for each year of Beatrice ’ s life since the age of six. Beginning in 1913 and traversing World War I and beyond, the diaries become a moving counterpoint to Amelia ’ s life as they unpeel layers of family history. As the past starts to impinge on the present, her relations—then and now—come to vivid life. Told from alternating points of view, Against the Season opens an illuminating window into small-town life. As the sins and secrets of a family are revealed through the sometimes-faulty lens of memory, it is a story about the seasons of life and the ties that bind us even beyond death.

An estranged brother and sister reconnect in this moving novel from “ perhaps the most significant lesbian fiction writer of the 20th century ” (Katherine V. Forrest, author of Curious Wine). When the novel opens, Diana ’ s twin brother, David, a widower in his mid-sixties, is looking back on his life. As memories swamp him, he decides to take a critical step: to beg for his sister ’ s forgiveness. Diana has never met David ’ s two daughters. She has no idea how many grandchildren he has. David doesn ’ t know Diana ’ s longtime lover, Constance, housebound by advancing memory loss and for whom Diana writes the day ’ s events on an erasable board to help her keep track of a life that ’ s slipping away. Estranged for nearly forty years, David appears at Diana ’ s dinner table, throwing her life into turmoil. But as she and her brother begin to rediscover each other, they both find the strength to move on with their lives. Told in Diana and David ’ s alternating points of view, Memory Board makes a powerful case for living in the present and making every moment count.

Told as a series of interconnected stories, Jane Rule ’ s fifth novel—offering six characters ’ shifting perspectives—takes us to a place where feminism, creativity, and sexual politics collide Contract with the World follows a group of friends, artists, and lovers as they negotiate the shifting terrain of the 1970s—a time when gay and lesbian politics were just emerging. Divided into six parts, the novel enters a world marked by desire, ambition, jealousy, and love. We follow these sexually adventurous thirty-something friends as they marry, divorce, take lovers, lose love, and never stop searching for personal and artistic fulfillment. Whether gay, straight, or bisexual, Rule ’ s characters are as much a product of the era that defines them as of the wise and foolhardy choices they make in their own turbulent lives—choices that will have inevitable, sometimes tragic consequences.

An award-winning novel of lesbian identity and camaraderie amid violence and war Ruth Wheeler is the one-armed caretaker of a motley crew of boarders living in her rooming house in Vancouver, British Columbia. The miscreants and outcasts in residence include a sexually confused academic, a one-time-dope-addict-turned-law-student, a high-minded deserter of the Vietnam War, a socially conscious female radical, and a gay man on the run from the cops. Despite personal differences and a turbulent outside world teeming with police brutality, the renters ’ affection for one another grows and they form a progressive and idealistic “ chosen family. ” However, Ruth ’ s devoted and assimilative spirit is put to the test when her property is slotted to be destroyed by developers. The household packs up and sails to Galiano Island, where they establish a new home, start a business, and strive to overcome the initial antipathy of their neighbors. They even decide to collectively raise a baby born from an unwanted pregnancy. Winner of the 1978 Canadian Authors Association Best Novel of the Year Award, The Young in One Another ’ s Arms stands as one of the most sophisticated portrayals of an alternative model for domestic life.

Jane Rule ’ s fourth book explores lesbianism as portrayed by authors from Gertrude Stein to Colette, from Vita Sackville-West to May Sarton and Willa Cather Lesbian Images opens with a disclaimer from the author: “ This book is not intended to be a comprehensive literary or cultural history of lesbians. ” Rather, as Jane Rule goes on to tell us, her goal is to present her own attitudes and measure them against the images of lesbianism as depicted by other female authors. Thus, chapters titled “ Gertrude Stein 1874–1946, ” “ Willa Cather 1876–1947, ” and “ Ivy Compton-Burnett 1892–1969, ” among many others, reveal how the concept of love between women can be filtered through one ’ s personal experiences and perceptions. There are also chapters about lesbian myths and morality; the effect of the women ’ s movement on lesbianism; the inherent conflicts between lesbianism and feminism; how Radclyffe Hall ’ s The Well of Loneliness changed fifteen-year-old Rule ’ s life; and what it means to be labeled a lesbian writer. At once astute and nonjudgmental, Lesbian Images is a deeply engaging work that sounds a powerful note of hope for the future.
