Designing Learning Module

Outline Effective by Butcher

Page 42/54

Online Library Designing Learning From Module Outline To Effective

A 'module outline' must be completed for each proposed new module. The module outline is a document that summarises key information about the module including the module title, credit

Online Library Designing Learning From Module

value, aims, intended
learning outcomes, and
assessment methods.

Completing the module
outline is more than an
administrative requirement
for the approval process.
