This is a list of merit badges formerly offered by the Boy Scouts of America. In some cases, the entire subject has been dropped from the merit badge roster. In others, the merit badge's name has been changed, with or without significant revision to the badge's requirements. In 2010, in celebration of Scouting's 100th anniversary, four historical merit badges were reintroduced for one year only—Carpentry, Pathfinding, Signaling and Tracking (formerly Stalking).

Previous badge requirements. These requirements will be discontinued on 31 January 2019. How to earn your badge. Find out about the World Scout Movement. Create a timeline of key moments that helped create and grow international Scouting. Take part in a traditional craft or creative activity from another country.

The missing manual The Master-At-Arms merit badge was one of the first 14 original Merit Badges of Baden-Powell's Scouting for Boys movement in the U.S. in 1910, but was then discontinued in 1911. Various versions of the original booklets and merit badge requirements continued in both British and US scouting. This is a reproduction of a 1925 version. As many of the original scout activities had their roots in military scouting and fieldcraft, it was not surprising that this badge was based on then popular forms of martial arts of the era. The key requirements were to become proficient in several of the following: Single-stick, Quarter-staff, Fencing, Boxing, Ju-Jitsu, and Wrestling. This booklet is a fascinating look at defensive arts training at the beginning of the 20th Century, and it is also still practical for those interested in learning the basics of these now more obscure martial sports.

A reprint of the first Boy Scouts handbook from 1911 covers woodcraft, camping, signs and signaling, first aid, chivalry, and games.

Covering a time of great social and technological change, this history traces the development of the four classic aquatic disciplines of competitive swimming, diving, synchronized swimming and water polo, with its main focus on racing. Working from the beginnings of municipal recreational swimming, the book fully explores the links between swimming and other aspects of English life society including class, education, gender, municipal governance, sexuality and the Victorian invention of the sports amateur-professional divide. Uniquely focused on swimming -often neglected in analytic sports histories- this is the first study of its kind and will be an important landmark in the establishment of swimming history as a topic of scholarly investigation. This book was previously published as a special issue of the International Journal of the History of Sport.

At the first Boy Scout camp held by founder Robert Baden-Powell on Brownsea Island in 1907, the pioneer Boy Scouts were organised into four patrols and presented with a brass fleur-de-lis badge. They were then taught practical outdoor activities, such as knotting, tracking and camping, and tested on these skills. Upon passing the tests, each boy received a bronze badge in the shape of a scroll, featuring the words "Be Prepared". The fleur-de-lis badge would later become the Scout's membership badge, also known as Tenderfoot, while the scroll badge became the Second Class Scout badge. This book compiles various collections of badges over the past century, from Boy Scouts and Wolf Cubs to Rover/Venture Scouts and adult Scouters. It also contains the collections of related accessories such as hat plumes and medals, as well as information about the history of Scouting. Informative and extensive, *A Century of Scouting Badges* is required reading for anyone with an interest in the Scouting movement and its story. Reader Reviews: "I spent many happy years of my childhood and youth in the scout movement. Scouting taught me good values and how to be a good leader. I thank Meng Hao for this wonderful book on 100 years of scout badges." — Professor Tommy Koh, Ambassador-At-Large, Ministry of Foreign Affairs "Wan Meng Hao is to be congratulated on achieving a Scouting first for his country that has yet to equalled in our own. He has produced a systematic and comprehensive encyclopaedia of the badges and artefacts relating to Scouting in Singapore over a 100-year period, since its inception in 1907. (He starts with an illustration of a supposed replica of B-P's brass Brownsea badge). The book is a wonderful compendium of badges and other artefacts beautifully laid out and illustrated in full colour over 200 A4 pages with interesting and relevant text to tell the story. What makes this book of exceptional interest to our UK members is that up to the 1970s the Scout Association of Singapore relied on the UK Association for its badges and medals etc. The book covers all aspects and sections including WW2 and illustrates over 1,000 items, though it makes no claims to be a 'tick list'. Mr Wan uses his own collection and those of others to depict some very rare items, some of which I have never seen before, to lovingly tell the story of Scouting in his homeland. A wonderful example of what Scout Badge Collecting is all about!" — UK Scout Historian Colin Walker "After reading the first sample of this book, I was very moved! This book introduces Scouting badges, from the beginning of the movement more than one hundred years ago to today. The author introduces almost all the various identification badges carried on the uniforms of the Scout movement. When I look through the book, I can't help but marvel at the Scout movement. There have been so many creators who have contributed rich treasures to the movement. I have also written books on the history and origins of Scouting, and deeply feel the difficulty of writing such books. I believe the author must have incomparable enthusiasm and loyalty to scouts. He would have needed to verify the many details—such as the year, location, and origins—information that cannot tolerate errors. A lot of data collection and interview work is required. Every time you see such a high-quality Scout information book, you can feel the hardships that the author has gone through. For all Scouting people and even those who just agree with the concept of Scouting, this book is a treasure trove of information that should not be missed." — Ho Chung Keung, Hong Kong Scout Leader and writer "Scouting historian Wan Meng Hao's impressive *A Century of Scouting Badges* is a labour of love, almost two decades in the making. Meng Hao's encyclopaedic knowledge of and passion for Scouting has resulted in this excellent and invaluable contribution to the very limited literature on the Scouting Movement in Singapore and British Malaya. *A Century of Scouting Badges* weaves in the overarching story of how Scouting has evolved through the years and how the progressive and proficiency badge curriculum enables many scouts to challenge themselves in their Scouting pursuits, to learn useful skills, crafts, and hobbies, to grow in knowledge and understanding of the world around them, to imbibe values and perseverance, and to contribute to their communities in relevant and meaningful ways. The Scouting Movement's badges and awards, so thoughtfully recorded in this work, reminds us of the importance of striving not for its own sake but as a means of learning by doing and giving for the greater good." — Associate Professor Eugene Tan, Singapore Management University "This book is the result of Meng Hao's journey in documenting scout badges. He explains succinctly the historical evolution of badges, and the book is replete with photo-illustration of badges and how some of these badges were worn. It will undoubtedly serve as a handy compendium for scout badges in Singapore." — Associate Professor Yeo Kang Shua, Singapore University of Technology and Design

A welcome new edition of a standard—unavailable for nearly a decadeIn more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States.Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more—from the founding of the Girl Scouts in 1912 through the present day."An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." —Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA"An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." —Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood*

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.
