Land Rover Discovery The
Land Rover Discovery is a
mid-size luxury SUV, from
the British car maker Land
Rover. There have been four
generations of the vehicle.
The Discovery was introduced
into the United Kingdom in
1989. The current Discovery
4 is marketed in North
America as the LR4.

But it only list a 3.9l v8 with service up to 1998, not a 4.0l v8 and the reviews of the manual on Amazon state its for the British right-hand drive model. I have the American version. I intend to use the manual to do a head gasket replacement on my disco 1. I tried looking for a manual on British Atlantic I wasn't able to locate one on my phone.
