A Brief Overview of the Document-Based Essay The purpose of writing a document-based essay is for you to study the document(s) provided by your professor to discover and communicate a significant point about history. This type of writing parallels the writing in professional, scholarly history books: the writing is thesis-driven and evidence-based. It seeks to prove a point. The document-based essay is like other academic writing in history in that it

The Document-Based Essay

The Oxford Dictionaries define a document as “a piece of written, printed, or electronic matter that provides information or evidence or that serves as an official record.” Document writing, then, is the process of creating a written document.

Document Writing, Step by Step (with Templates) - Focus

A DBQ (document-based question) is designed to build students' critical thinking skills by asking them to interpret, analyze and synthesize information from primary sources. The goal in using document-based questions is to get students to look beyond the obvious interpretation of a primary source to understand not just what the document, object, or artifact shows and says, but more importantly what it means.
