Dragons, a prophecy, a curse and a reverse harem of the most important dragons. It's crazy tempting and honestly not that bad if you really like all these elements even if it's done a little bland. The beginning is good, I love the thief idea and to use it as a way to Dragon's Fire is smushed together version of the whole blood prophecy series, five tiny books make for a one long ass read duh.

Dragon's Fire (Blood Prophecy, #1 To #5) by Lili Zander

Reverse harem- dragon style..... Wonderful addition to the series. In this book we learn that the Zmaj can work together especially if it involves sharing their "treasure". Piper is a very determined woman and strong despite her illness. She showed resourcefulness in the way she worked out how to communicate with her dragons.
