The Togolese star said at an event in Ghana: "He told me that some clubs in England, namely Arsenal, Chelsea, Manchester United, and others have shown interest in him and he needs advice.

This is a story of an artist who, from his earliest years, draws. The artist draws a star! Then, the tree, house, flowers, clouds, rainbow, and night. In drawing, he discovers not only his art, but his life. Holding on to his star, he creates a world of light and possibility. With his brilliant collage, poignant and powerful in its simplicity, Eric Carle creates an unforgettable story that celebrates imagination and the artist in us all.

Online Library Draw Me A Star Picture Puffin

An artist's drawing of a star begins the creation of an entire universe around him as each successive pictured object requests that he draw more.

Another highly original and imaginative story. As children follow Eric Carle's colourful pictures and strong text, they can learn to understand and enjoy drawing for themselves. This is an ideal book to introduce one of the essential creative activities of early childhood.

Clarion Review: ****The analytical psychology of Carl Gustav Jung, the ideas of Erich Neumann and modern developmental psychology offer excellent guidelines in the search for the significance of children's drawings. Children actually live in the mythological period of our ancestors. Just as our ancestors' growing process of awareness was reflected in mythological stories, rituals, fairy tales and primitive art, a child's process of awareness is reflected in his or her drawings. There are similarities between the products from various periods of art history and the drawings that children make at various ages. In 'Draw me a Picture' children's drawings ranging from their very first scribbles to drawings by adolescents are described and analyzed. And, when doing so, the author repeatedly makes links to the world of children's games. She also offers illustrative examples from her therapeutic practice. This book is a tool for play therapists, art therapists, sandplay therapists and teachers.

After his aunt makes him an apron just like his uncle's, a young boy helps him plaster the chimney.

Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

Twenty-three illustrators of children's literature discuss their lives, inspirations, and creative backgrounds and present photographs of themselves and their work spaces along with examples of their illustrations.

This exciting collection features 12 ready-to-frame stunning posters celebrating the art of Eric Carle. The perfect gift for new parents decorating a nursery, or a delightful addition to any classroom, these posters feature colorful and kid-friendly images, including character favorites such as the Hungry Caterpillar.

When a violinist begins to play, the song is transformed into vivid shapes and colors.
