Unable to have the man she loves, Primavera goes in search of Elysia, a magical city once ruled by her parents' band, Ecstasia, unaware that if she gets there, she may not be able to return home.

But this is what I could not give up: I could not give up myself Psyche has known Love—scented with jasmine and tasting of fresh oranges. Yet he is fleeting and fragile, lost to her too quickly. Punished by self-doubt, Psyche yearns to be transformed, like the beautiful and brutal figures in the myths her lover once spoke of. Attempting to uncover beauty in the darkness, she is challenged, tested, and changed by the gods and demons who tempt her. Her faith must be found again, for if she is to love, she must never look back.

Fifteen years ago Francesca Lia Block made a dazzling entrance into the literary scene with what would become one of the most talked-about books of the decade: Weetzie Bat. This poetic roller coaster swoop has a sleek new design to match its new sister and brother books, Goat Girls and Beautiful Boys. Rediscover the magic of Weetzie Bat, Ms. Blocks sophisticated, slinkster-cool love song to L.A.the book that shattered the standard, captivated readers of all generations, and made Francesca Lia Block one of the most heralded authors of the last decade.

In The Island of Excess Love, Pen has lost her parents. She's lost her eye. But she has fought Kronen; she has won back her fragile friends and her beloved brother. Now Pen, Hex, Ash, Ez, and Venice are living in the pink house by the sea, getting by on hard work, companionship, and dreams. Until the day a foreboding ship appears in the harbor across from their home. As soon as the ship arrives, they all start having strange visions of destruction and violence. Trance-like, they head for the ship and their new battles begin. This companion to Love in the Time of Global Warming follows Pen as she searches for love among the ruins, this time using Virgil's epic Aeneid as her guide. A powerful and stunning book filled with Francesca Lia Block's beautiful language and inspiring characters.

"A masterpiece of women's wisdom."—Christiane Northrup, M.D. "The journey to capture her feminine soul and live authentically . . . makes a fascinating, well-researched and well-written story."—Publishers Weekly In celebration of the twentieth anniversary of its publication, a newly reissued edition of the bestselling author's classic work of feminine spiritual discovery, with a new introduction by the author. "I was amazed to find that I had no idea how to unfold my spiritual life in a feminine way. I was surprised, and, in fact, a little terrified, when I found myself in the middle of a feminist spiritual reawakening."—Sue Monk Kidd For years, Sue Monk Kidd was a conventionally religious woman. Then, in the late 1980s, she experienced an unexpected awakening, and began a journey toward a feminine spirituality. With the exceptional storytelling skills that have helped make her name, Kidd tells her very personal story of the fear, anger, healing, and freedom she experienced on the path toward the wholeness that many women have lost in the church. From a jarring encounter with sexism in a suburban drugstore, to monastery retreats and to rituals in the caves of Crete, she reveals a new level of feminine spiritual consciousness for all women—one that retains a meaningful connection with the "deep song of Christianity," embraces the sacredness of ordinary women's experience, and has the power to transform in the most positiive ways every fundamental relationship in a woman's life—her marriage, her career, and her religion.

Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex. . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of Weetzie Bat comes a magical, mesmerizing tale of transformation. This is the story of Barbie Marks, who dreams of being the one behind the Cyclops eye of the camera, not the voiceless one in front of it; who longs to run away to New York City where she can be herself, not some barley flesh-and-blood version of the plastic doll she was named after. It is the story of Griffin Tyler, whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab, a pinkie-sized, magenta-haired, straight-talking fairy, who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain, and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.

Dirk MacDonald, a sixteen-year-old boy living in Los Angeles, comes to terms with being gay after he receives surreal storytelling visitations from his dead father and great-grandmother.

Once upon a time in the city of Shangri-L.A., someone left a baby on a doorstep. She had wild, dark hair and purple eyes and looked at the world in a special way. The family that took her in called her Witch Baby and raised her as their own. But even though she tried to fit in, Witch Baby never felt as though she truly belonged. So one day she packed her bat-shaped backpack, put her black cowboy-boot roller skates, and went out into the real world to find out who she really was....

With language that is both lyrical and distinctly her own, Francesca Lia Block turns nine fairy tales inside out. Escaping the poisoned apple, Snow frees herself from possession to find the truth of love in an unexpected place. A club girl from L.A., awakening from a long sleep to the memories of her past, finally finds release from its curse. And Beauty learns that Beasts can understand more than men. Within these singular, timeless landscapes, the brutal and the magical collide, and the heroine triumphs because of the strength she finds in a pen, a paintbrush, a lover, a friend, a mother, and finally, in herself.
