Intro to Enlightenment. Enlightenment: period of time roughly 1720-1790 when scholars believed in the use of reason and scientific method. The use of reason eventually sparked revolution throughout the world. A new way of looking at religion, politics and society. Based upon Cartesian influence of doubt and skepticism - criticism.

Chapter 19 - Culture and society in 18th Century Europe ...

The Enlightenment influenced society in the areas of politics, philosophy, religion and the arts. Both the American Revolution and French Revolution were based on Enlightenment ideals. The Age of Enlightenment, which lasted throughout much of the 17th and 18th centuries, was an intellectual movement, which resulted in overturning many old ideas. Leading European thinkers advocated for personal freedoms and free thought.
