Eric Joisel (November 15, 1956 – October 10, 2010) was a French origami artist who specialized in the wet-folding method, creating figurative art sculptures using sheets of paper and water, without the use of any adhesive or scissors.

Eric Joisel - Wikipedia

Eric Joisel is considered by his peers to have been among the finest origami masters in the world. This beloved French artist and sculptor created stunningly beautiful and complex sculpted origami paper models. Origami is the Japanese art of forming sculptures out of paper only. And Eric Joisel took this to a whole new level.

Eric Joisel | Le Magicien du Papier

Eric Joisel, Self: Between the Folds. Eric Joisel was born on November 15, 1956 in Enghien-les-Bains, Val-d'Oise, France. He died on October 10, 2010 in Argenteuil, Val-d'Oise.

Eric Joisel - IMDb

Eric was a classically trained sculptor who turned to origami at the age of 27 and became captivated; as he described in the landmark origami documentary, "Between the Folds," at that point he "threw away" all his other sculptural activities and plunged wholeheartedly into the art.

Eric Joisel The design and fold are by Eric Joisel, a renowned French origami artist. I agree that it is a wonderful model. I fear that my skills aren't even close to good enough to achieve something of the like.

Mermaid (Eric Joisel) | Happy Folding

Eric Joisel Remembered On the 15th of October, approximately 60 of us, family and friends, gathered in Enghien-les-Bains to say a final farewell to Eric Joisel. To many in the origami community, he was a much admired colleague. He was more than that to me.

Eric Joisel Remembered - Bernie Peyton

Overall Impression This special booklet published by the French Origami Association collects most diagrams ever produced by the late wonderful origami artist Eric Joisel, and is in this way a nice companion to the beautiful showcase: Eric Joisel - The Magician of Origami which contains many photos but very few diagrams.

Eric Joisel - Le Pli magazine by Eric Joisel Book Review ...

Its essays and interviews provide a glimpse into Eric Joisel's philosophy of origami in terms of art, sculpture, complexity, perspective, expression, and design. Interspersed with the photos and text are reproductions of Joisel's own hand-written sketches and crease patterns for his models, straight from his notebooks.

Review: "Eric Joisel: The Magician of Origami" | OrigamiUSA

This is not a diagram-book, but rather a magnificent showcase and tribute to the work of the late artist Eric Joisel. Sadly, it came out very shortly following his passing. The first half of the book is comprised of beautiful photos of pretty much every design Joisel ever created, along with hand-drawn crease-patterns, Joisel's comments about each design and photos of different angles of the models. mirknig.com

Origami artist Eric Joisel dies at 53 By The Bark Editors, October 2010, Updated February 2015 Among the animals to inspire the French origami master, Eric Joisel, were dogs, such as the Greyhound pictured here. We were saddened to read of Joisel's too-early death.

Paper Master | The Bark

Birds with attitude, playful dogs, and 7 foot dragons are just a few of the origami-inspired artworks designed and folded by Shannon Nakaya. Her approach for bringing paper to life is enough texture and anatomic detail to impress and enough character and personality, largely communicated through body language, to engage her audience.
