From the New York Times and USA Today bestselling author of *Bully*, *Until You*, *Rival*, and *Falling Away* comes the sizzling conclusion to the *Fall Away* series. The tables have turned. Now I have the power—and it's his turn to beg... Everyone wants to be me. Maybe it's the sway of my skirt or the way I flip my hair, but I don't care. Even though their attention is the last thing I crave, I just can't stop. I dominate the track, the speed rattles my bones, and the wind and the crowd screams my name. I'm her. The girl driver. The queen of the race. And I'm surviving—something he thought I'd never do. They all talk about him. Did you see Jared Trent on T.V? What did you think of his last race, Tate? When is he coming back to town, Tate? But I refuse to care too much. Because when Jared does come home, I won't be here. Tatum Brandt is gone. I'm someone new.

Jared has spent the past few years traveling between fury and indifference with no stops in between. He doesn't care about anything or anyone-- except Tatum. They used to be friends, but he found out that he couldn't trust her-- or anyone else. So he pushed her away. But he still needs her, and pools all of his anger into her. Engaging her, challenging her, bullying her ... they are Jared's food, his air, the last part of himself that feels anything human. Then Tatum left, and went to France for a year. She came back a different girl. Now, when Jared push, she pushes back ...

Together in one volume for the first time, New York Times bestseller Penelope Douglas's two bestselling novellas in the *Fall Away* Series, full of intense emotion and smoking-hot passion... Aflame Tatum Brandt finally has everything she wants. Acceptance to medical school, a circle of friends she would never replace, and contentment that every day is now hers. All through high school, Jared Trent called the shots. He decided if she would be happy or sad, fearful or free. He owned her heart, and he played with it like one of his cars. Never again. Two years ago, Jared left town, and Tate's life is exactly where she wants it to be. Or that's what she tells herself... Because two years ago, her heart also stopped beating, and no matter the success in school or the support of her friends, there's only one time every week she can feel that same rush in her blood: Friday nights on the track. That's hers, not his, and to hell with anyone that gets in her way again. Especially him. Next to Never Under the close watch of the men in her family, Quinn Caruthers has found it nearly impossible to spread her wings—or even date—without her three older brothers, Jared, Madoc, and Jaxon, jumping in to hover. And when a family friend—several years older—from her childhood still holds her heart, she knows they're going to be a problem. Lucas Morrow is a man, and knowing her brothers, he may as well be forbidden. But years ago, Lucas left town and shows no signs of returning. Quinn knows she shouldn't wait for him anymore. Until a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn her world upside down. She's never asked about the path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. As she starts to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants.
