Vols. for 1970-71 includes manufacturers' catalogs.

Lonely because he is the only mouse in the church, Arthur asks all the town mice to join him. Unfortunately the congregation aren't so welcoming. But all is not lost when a robber tries to steal the church candlesticks, the mice foil his plans and win back their home.

Quality Gaging Tips contains 144 instructive articles, arranged by topic, which originally appeared in a regular column (of the same name) in Modern Machine Shop magazine. Each of the articles presents valuable insights gained from years of experience and knowledge, and each is designed to assist the reader to 1) better understand the principles of gaging, and 2) improve their personal techniques. Both the science and the 'art' of dimensional gaging are stressed, providing a full understanding of the methodology along with detailed instructions on how to perform specific tasks properly. Emphasis throughout is on problem-solving ability, inventiveness, and creativity. The wide scope and authoritative style of this book makes it the ideal on-the-job companion for anyone involved in the science,
