England apart in the
seventeenth century was
the single most
traumatic event in this
country between the
medieval Black Death

Indeed, it is likely that a
greater percentage of the
population were killed
in the civil wars than in
the First World War.

This sense of

and intense rivalries. Fire and Fury, an instant sensation, defined the first phase of the Trump administration; now, in Siege, Wolff has written an equally essential and explosive book about a presidency that is under fire from almost every side. At the outset of Trump's second year as president, his situation is profoundly different.
