Two high school seniors believe their love to be so strong that it will last forever.

You'll never forget your first time...reading Forever, Judy Blume's groundbreaking novel about teen sexuality, as an ebook. When you build up something in your mind—really imagine it, wish for it—sometimes, when it actually happens, it doesn't live up to your expectations. True love is nothing like that. Especially not for Katherine and Michael, who can't get enough of each other. Their relationship is unique: sincere, intense, and fun all at the same time. Although they haven't been together all that long, they know it's serious. A whole world opens up as young passion and sexuality bloom. But it's senior year of high school, and there are big changes ahead. Michael and Katherine are destined for another big "first": a decision. Is this the love of a lifetime, or the very beginning of a lifetime of love?

Two high school seniors believe their love to be so strong that it will last forever.

Katherine and Michael, along with various friends and acquaintances in suburban New Jersey, discover the possibilities and limitations of love and personal commitment.

With more than four million copies sold, Wifey is Judy Blume's hilarious, moving tale of a woman who trades in her conventional wifely duties for her wildest fantasies—and learns a lot about life along the way. Sandy Pressman is a nice suburban wife whose boredom is getting the best of her. She could be making friends at the club, like her husband keeps encouraging her to do. Or working on her golf game. Or getting her hair done. But for some reason, these things don't interest her as much as the naked man on the motorcycle...

Jill goes along with the rest of the fifth-grade class in tormenting a classmate and then finds out what it is like when she, too, becomes a target. Reissued with a fresh new look and cover art. Simultaneous.

From the New York Times bestselling author of Are You There God? It's Me, Margaret and the adult bestseller In the Unlikely Event comes a tale of family, friendship, and pre-teen life like only JUDY BLUME can deliver. The companion to Here's to You, Rachel Robinson. Can you have more than one best friend? Stephanie's best friend is Rachel. Since second grade

Online Library Forever Judy Blume

they've shared everything, good and bad. But now it's the start of seventh grade and Alison has just moved to their neighborhood. Stephanie immediately clicks with her—she's cool and fun and totally humble even though she's the daughter of a famous actress. Stephanie hopes all three of them can be best friends, but the more she pushes Alison on Rachel, the more Rachel seems to drift away. Is it possible to have two best friends? Or is it true that two's company, three's a crowd? "Judy Blume does it again in what may be her best book yet!" -American Bookseller

A thirteen-year-old girl seemingly destined for a modeling career finds she has a deformation of the spine called scoliosis.

In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of *Summer Sisters* and of young adult classics such as *Are You There God? It's Me, Margaret*, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing "Unforgettable," Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the *Unlikely Event* is vintage Judy Blume, with all the hallmarks of Judy Blume's unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: "Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents." —Booklist (starred review) and "In Blume's latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human." —Publishers Weekly

Being a teenager (or an adult) is way easier with Judy Blume. And now that five of her most cherished classics are available in a paperback boxed set, everyone can get what they need. Whether it's a gift for yourself or someone else, this boxed set of five beloved Judy Blume books is the perfect way to share the relatable travails and triumphs of growing up. From Katherine and first love in *Forever...* to Davey and her transition through loss in *Tiger Eyes*, the characters of these cherished novels feel like more than characters—they feel like friends. This boxed set includes gorgeous paperback editions of the following Judy Blume novels: *Are You There God? It's Me, Margaret* *Deenie* *Forever...* *Then Again, Maybe I Won't* *Tiger Eyes*
