The book Four Perfect Pebbles is a true story from the perspective of a holocaust survivor during the holocaust in a concentration camp. The book is written in a way that is different than any other book I have read is written, it is different because the author flawlessly makes transitions from past to current and from 1st to 3rd person.

While in Bergen-Belsen, Marion convinces herself that if she can find four perfect pebbles, identical in nature, it means that her family will survive their ordeal. This symbol is one of the only things from which she can draw strength, and the impression is indelible. While preparing to write this blog, I discovered that Marion Blumenthal Lazan has a website, focusing on this book. I strongly ...

Since 1979 I have been speaking publicly about my Holocaust experience, but upon publication of my memoir, *Four Perfect Pebbles*, the number of speaking engagements has greatly increased. The Diary of Anne Frank has always fascinated me. I read it in the original Dutch on our voyage to America in 1948 aboard the Holland-American liner Veendam.

**Four Perfect Pebbles: A Holocaust Story - Chapter 5**

The twentieth-anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. "The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review)
Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults' Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. "A harrowing and often moving account."—School Library Journal

First hardcover edition published by Greenwillow Books in 1996.

Provides a factual reflection of the life of a young girl and her family during the Holocaust

If she could find four perfect pebbles of almost exactly the same size and shape, it meant that her family would remain whole. Mama and papa and she and Albert would survive Bergen-Belsen. The four of them might even survive the Nazis' attempt to destroy every last Jew in Europe.

"From its opening pages, in which she recounts her own premature birth, triggered by terrifying rumors of an incipient pogrom, Bernstein' s tale is clearly not a typical memoir of the Holocaust. She was born into a large family in rural Romania...and grew up feisty and willing to fight back physically against anti-Semitism from other schoolchildren. She defied her father' s orders to turn down a scholarship that took her to Bucharest, and got herself expelled from that school when she responded to a priest/teacher's vicious diatribe against the Jews by hurling a bottle of ink at him...After a series of incidents that ranged from dramatic escapes to a year in a forced labor detachment, Sara ended up in Ravensbruck, a women' s concentration camp, and managed to survive...she tells this story with style and power." —Kirkus Reviews

The life-changing story of a young boy's struggle for survival in a Nazi-run concentration camp, narrated in the voice of Holocaust survivor Jack Mandelbaum. When twelve-year-old Jack Mandelbaum is separated from his family and shipped off to the Blechhammer concentration camp, his life becomes a never-ending nightmare. With minimal food to eat and harsh living conditions threatening his health, Jack manages to survive by thinking of his family. In this Robert F. Silbert Honor book, readers will glimpse the dark reality of life during the Holocaust, and how one boy made it out alive. William Allen White Award Winner Robert F. Silbert Honor ALA Notable Children's Book VOYA Nonfiction Honor Book

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust.These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Ely to the right; her mother and brother to the left. She never saw her family alive again. Thanks to a series of miracles, Ely survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Ely appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers.

What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, I Have Lived a Thousand Years is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn't long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn't know is that this is only the beginning. The worst is yet to come...
